Wasted Byron Reese, Scott Hoffman, 2021-06-01 *Wasted* is a riveting exploration of the complicated and often surprising ways that waste occurs in our businesses our communities and our lives A smart unconventional book that takes readers far beyond what they think they know about a complex subject Kari Byron former cast member of MythBusters Waste We spend a great deal of energy trying to avoid it but once you train your eyes to look for it you ll see it all around you in your home your business and your everyday life In *Wasted* futurist Byron Reese and entrepreneur Scott Hoffman take readers on a fascinating journey through this modern world of waste drawing on science economics and human behavior to envision what a world with far less of it or none of it at all might look like Along the way they explore thought provoking issues such as why the United States got a higher proportion of its energy from renewable sources in 1950 than it does today whether the amount of gold in unused mobile phones can be extracted for profit how switching to water fountains on a single route from Singapore to Newark could prevent the use of 3 400 plastic bottles on each flight whether the amount of money you save buying goods in bulk is offset by the amount you lose when some spoil Ultimately the question of reducing waste is scientific philosophical and most of all complex According to Reese and Hoffman the rush toward simple answers has often led to well meaning efforts that cause more waste than they save The only way we can hope to make progress is to treat waste as the complicated issue it is While the authors don t promise easy answers in this compelling book they take an important step toward solutions by examining the questions at play giving actionable steps and ensuring that you ll never see the world of waste the same way again *Fodor's Philadelphia* Fodor's Travel Guides, 2023-10-10 Whether you want to eat a cheesesteak see the Liberty Bell or visit the Philadelphia s best museums the local Fodor s travel experts in Philadelphia are here to help Fodor s Philadelphia guidebook is packed with maps carefully curated recommendations and everything else you need to simplify your trip planning process and make the most of your time This new edition has been fully redesigned with an easy to read layout fresh information and beautiful color photos Fodor s Philadelphia includes AN ILLUSTRATED ULTIMATE EXPERIENCES GUIDE to the top things to see and do MULTIPLE ITINERARIES to effectively organize your days and maximize your time MORE THAN 20 DETAILED MAPS to help you navigate confidently COLOR PHOTOS throughout to spark your wanderlust HONEST RECOMMENDATIONS FROM LOCALS on the best sights restaurants hotels nightlife shopping performing arts activities side trips and more PHOTO FILLED BEST OF FEATURES on Philadelphia s Best Museums Philadelphia s Best Historic Sights and more TRIP PLANNING TOOLS AND PRACTICAL TIPS including when to go getting around beating the crowds and saving time and money HISTORICAL AND CULTURAL INSIGHTS providing rich context on the local people politics art architecture cuisine music geography and more SPECIAL FEATURES on Reading Terminal Market Visting Independence National Historic Park America s Garden Capital What to Watch and Read and What to Eat and Drink LOCAL WRITERS to help you find the under the radar gems UP TO DATE COVERAGE ON Liberty Bell Congress Hall
