From Puerto Rico to Philadelphia Carmen Teresa Whalen, 2001 We were poor but we had everything we needed reminisces Do a Epifania Nonetheless when a man she knew told her about a job in Philadelphia she grasped the opportunity to leave Coamas He went to Puerto Rico and told me there were beans to cook I came here and cooked for fourteen workers In San Lorenzo Do a Carmen and her husband made the same decision We didn't want to nobody wanted to leave There wasn't any alternative Don Florencio recalls that in Salinas work had gotten scarce especially for the youth the young men The farmworker that was used to cutting cane already the sugar cane was disappearing and government licensing regulations made fishing more difficult for the poor Puerto Rican migration to the mainland following World War II took place for a range of reasons globalization of the economy the colonial relationship between the United States and Puerto Rico state policies changes in regional and local economies social networks and not least the decisions made by individual immigrants In this wide ranging book Carmen Whalen weaves them all into a tapestry of Puerto Rican immigration to Philadelphia Like African Americans and Mexicans Puerto Ricans were recruited for low wage jobs only to confront racial discrimination as well as economic restructuring As Whalen shows they were part of that wave of newcomers who come from areas in the Caribbean Latin America and Asia characterized by a heavy U S military and economic presence especially export processing zones looking for a new life in depressed urban environments already populated by earlier labor migrants But Puerto Rican immigration was also unique especially in its regional and gender dimensions Many migrants came as part of contract labor programs shaped by competing agendas By the 1990s economic conditions government policies and racial ideologies had transformed Puerto Rican labor migrants into what has been called the other underclass Professor Whalen analyzes this continuation of culture of poverty interpretations and contrasts it with the efforts of Philadelphia Puerto Ricans to recreate their communities and deal with the impact of economic restructuring and residential segregation in the City of Brotherly Love Author note Carmen Teresa Whalen is Assistant Professor of Puerto Rican and Hispanic Caribbean Studies at Rutgers University

Murderers' Row Volume Three John Ferak, Chris Russo Blackwood, Michael Withey, 2020-03-03 Three bestselling true crime books for the price of one from the Steven Avery case to a brother's quest for justice to an international conspiracy Wrecking Crew While working for USA Today's Investigative Team John Ferak wrote dozens of articles on Steven Avery who was charged with the murder of Teresa Halbach In Wrecking Crew

Ferak lays out high profile lawyer Kathleen Zellner's post conviction strategy to free Avery. Whatever you thought you believed about this infamous case, get ready to change your mind or be more convinced than ever. Fascinating.

Steve Jackson, New York Times bestselling author, *My Brother's Keeper*. The moment he found out his brother Gary was missing and presumed dead, Ted Kergan launched a relentless effort to bring two suspected killers to justice and find Gary's body. Little did he know his quest would consume a fortune and take thirty years to reach its dramatic conclusion. An International Book Awards Finalist. A thirty year search for the truth, a story of persistence, determination and deep brotherly love.

Denise Wallace, author of *Daddy's Little Secret*. Summary: Execution. On June 1, 1981, two young activists, Silme Domingo and Gene Viernes, were murdered in Seattle in what was made to appear like a gang slaying. But the victims' families and friends suspected they were considered a threat to Philippines dictator Ferdinand Marcos and his regime's relationship to the United States. Remarkable. The story has so many twists as well as amazing turns that prove the point that conspiracy theories aren't necessarily fiction.

Eric Nalder, Pulitzer Prize winning investigative journalist.
