Blue Moon Hotel Las Vegas:

The Fold-O-Rama Wars at the Blue Moon Roach Hotel and Other Colorful Tales of Transformation and Tattoos

A. R. Morlan, 2013-07-30 The author says The stories in this collection are an outgrowth of my lamentable childhood as well as a reflection of those things in life which I found fascinating in that they could mentally take me away from the horror of my daily life and at least on the level of imagination offer me something worth waking up each morning for Thus the universes in this collection center around outsiders artists and freaks be they natural born or self made some of the stories are interconnected but also designed to stand alone I've included afterwords for each to shine additional light on both the works and their cultural personal inspirations But more than a collection to me this volume is a glimpse into my creative soul and as such it may not be perfect it might not even be logical but it is what I am love it or hate it Six cutting edge stories of a bizarre near future America a mix of strange cultures and curious characters featuring tattoo artists origami masters Irezumi the De Novo Shinkansen Qatmandude and the Blue Moon Roach Hotel

Blue Moon Elise Noble, 2024-06-30 You know what they say about showbiz They love to build you up and then they tear you down Luna Maara never wanted to be a star but by the time she realised she hated the limelight she was in too deep Sold out concerts fans screaming her name on the street memes going viral whenever parts of her fell out of a costume Oh and stalkers Don't forget the stalkers The latest one calls himself Mark Antony and he sends her linguine carbonara and dog treats Most people think she has it all the fame the money the luxurious lifestyle But under the facade there's nothing but an empty shell Everyone close to her lies or takes advantage of her or both Her family her friends she can't trust anyone Not even Ryder Somehow her former bodyguard's betrayal hurt most of all Former SEAL Ryder Metcalfe never meant to fall in love again but during a nightmare trip to the Caribbean a prickly pop princess wormed her way under his skin And then she ditched him Which was his own fault and also his biggest regret He can't turn back the clock He can't change fate But somebody else can When Luna's scared there's only one person to call Only one man she trusts with her body if not with her heart Mark Antony might gift Ryder a second chance but he's determined the star crossed couple won't get a third Blue Moon is a story of second chances and self discovery with plenty of dark humour and a morally grey girl squad There's also some grovelling and a dog Who doesn't love a dog

Hemingson,2008-11-01 What if Santa Claus had given up on mankind and his most famous reindeer turned into a homicidal alcoholic This alternate history is narrated by William Stonecutter a young man orphaned as an infant who never grew beyond 3 5 feet tall The world has gone to hell in a handbasket and William intends to do something about it He and a weary fellowship of carnival outcasts embark on a quest to the North Pole They make a desperate plea to Santa rid the world of evil so it can once again be clean and safe for democracy Michael Hemmingson s fantasy of the absurd and the weird calls to mind such great works as Gunter Grass s The Tin Drum Robert Coover s The Public Burning Philip K Dick s The Man in the High Castle and Richard Brautigan s Trout Fishing in America combining them all into one heck of a wild sleigh ride of a post postmodern SF adventure Love Me Tender Max Cryer,2008 Some of the world s best loved songs have had remarkable

origins Had Robert Burns not heard an old man sing a quavering version of an ancient Scottish country song we would never have had Auld Lang Syne Miss Jane Ross wrote down the tune she heard played by a piper at an Irish village fair in 1855 Had she not done so the rest of the world would not have heard Danny Boy Marie Antoinette heard a peasant nurse sing an obscure lullaby to her princely son The empress s unexpected promotion of the song resulted in its now being listed by The Guinness Book of Records as one of the three most familiar songs in the world Love Me Tender tells the remarkable stories behind 40 popular and traditional songs Some evolved from folksongs some are from musical theatre while others hit the mark because a particular recording appeared at just the right time In some cases one word made all the difference Paul McCartney composed a tune but could only think of the words scrambled eggs to fit it but fortunately he later came up with

the perfect solution Yesterday In a book full of surprises and curiosities Max Cryer reveals stories from all around the world and from artists as diverse as Marlene Dietrich Bing Crosby Judy Garland and Elton John This truly fascinating book makes enthralling reading
