Digitalizing Consumption Franck Cochoy,Johan Hagberg,Magdalena McIntyre,Niklas Sörum,2017-07-14 Contemporary consumer society is increasingly saturated by digital technology and the devices that deliver this are increasingly transforming consumption patterns Social media smartphones mobile apps and digital retailing merge with traditional consumption spheres supported by digital devices which further encourage consumers to communicate and influence other consumers to consume Through a wide range of empirical studies which analyse the impact of digital devices this volume explores the digitization of consumption and shows how consumer culture and consumption practices are fundamentally intertwined and mediated by digital devices Exploring the development of new consumer cultures leading international scholars from sociology marketing and ethnology examine the effects on practices of consumption and marketing through topics including big data digital traces streaming services wearables and social media s impact on ethical consumption Digitalizing Consumption makes an important contribution to practice based approaches to consumption particularly the use of market devices in consumers everyday consumer life and will be of interest to scholars of marketing cultural studies consumer research organization and management **Pattern Recognition** William Gibson,2004-02-03 Pattern Recognition is William Gibson s best book since he rewrote all the rules in Neuromancer Neil Gaiman author of American Gods One of the first authentic and vital novels of the 21st century The Washington Post Book World The accolades and acclaim are endless for William Gibson s coast to coast bestseller Set in the post 9 11 present Pattern Recognition is the story of one woman s never ending search for the now Cayce Pollard is a new kind of prophet a world renowned coolhunter who predicts the hottest trends While in London to evaluate the redesign of a famous corporate logo she s offered a different assignment find the creator of the obscure enigmatic video clips being uploaded to the internet footage that is generating massive underground buzz worldwide Still haunted by the memory of her missing father a Cold War security guru who disappeared in downtown Manhattan on the morning of September 11 2001 Cayce is soon traveling through parallel universes of marketing globalization and terror heading always for the still point where the three converge From London to Tokyo to Moscow she follows the implications of a secret as disturbing and compelling as the twenty first century promises to be ZOAYLAND Maelyn Drew,2024-09-17 Zoayland The Adventure Begins is similar to The Chronicles of Narnia by C S Lewis It is an adventure where young Elzafan discovers a mysterious world where unconditional love is free and never ending In this land of life everlasting the little boy meets remarkable friends and is destined to find one of the greatest treasures of all time In Zoayland readers can experience the true value of friendship when Elzafan is introduced to an unforgettable little red ant

named Johnny He along with many other lovable creatures live in this wonderful world where dreams come true and anything is possible Journey with Elzafan and discover how an ordinary fishing trip turns into an extraordinary adventure

Zero History William Gibson, 2010-09-07 Hollis Henry never intended to work for global marketing magnate Hubertus Bigend again But now she s broke and Bigend has just the thing to get her back in the game Milgrim can disappear in almost any setting and his Russian is perfectly idiomatic so much so that he spoke it with his therapist in the secret Swiss clinic where Bigend paid for him to be cured of his addiction Garreth doesn t owe Bigend a thing But he does have friends from whom he can call in the kinds of favors powerful people need when things go sideways They all have something Bigend wants as he finds himself outmaneuvered and adrift after a Department of Defense contract for combat wear turns out to be the gateway drug for arms dealers so shadowy they can out Bigend Bigend himself Zero History is Gibson s best yet a triumph of science fiction as social criticism and adventure BoingBoing net **Profiles and Plotlines** Katherine D.

Murray, Mathias Nilges, 2021-03-15 William Gibson is frequently described as one of the most influential writers of the past few decades yet his body of work has only been studied partially and without full recognition of its implications for literature and culture beyond science fiction It is high time for a book that explores the significance and wide ranging impact of Gibson s fiction In the 1970s and 80s Gibson the Godfather of Cyberpunk rejuvenated science fiction In groundbreaking works such as Neuromancer which changed science fiction as we knew it Gibson provided us with a language and imaginary through which it became possible to make sense of the newly emerging world of globalization and the digital and media age Ever since Gibson s reformulation of science fiction has provided us not just with radically innovative visions of the future but indeed with trenchant analyses of our historical present and of the emergence and exhaustion of possible futures
