The Stoic Journey: Traveling to Learn to Control Your Emotions is a comprehensive guide for adolescents that uses Stoicism to help them navigate the complexities of adolescence. The book teaches adolescents how to develop emotional resilience, inner peace, and a sense of perspective through exercises and practical approaches. Through exploring eudaimonia, Stoic virtues, and the dichotomy of control, young people can understand that they can't control everything but can control their reactions. This book also explores the relationship between Stoicism and Positive Mental Attitude (PMA) and how these two tools can be used together. You don't have to be an adolescent to enjoy the book. Moreover, it provides valuable and easy guidance for parents, educators, caregivers, and anyone wishing to help young people or themselves successfully navigate adolescence or early adulthood.
