American Sniper Amazon Prime:

The Sniper Mind David Amerland, 2017-11-07 The Sniper Mind from David Amerland is the first book to examine the learned skills necessary to become a sniper and teach readers how to apply those skills in business and in life Snipers are exceptional The trained sniper is a complex fusion of hard skills such as weapons knowledge situational awareness knowledge of ballistics and physics and soft skills such as emotional stability empathy and a stoic acceptance of the hardships associated with a particular set of circumstances There are countless instances where a single sniper embarking on a secret mission would have to improvise operate beyond any hope of support and yet still manage to carry out the mission and get back home unharmed even though the enemy was actively hunting him For the first time ever The Sniper Mind reveals the practical steps that allow a sniper's brain to work in this superhuman precise calculated way It teaches readers how to understand and apply these steps whether they are stuck in a cubicle facing mounting piles of work or sitting in a corner office making industry defining decisions Through the explanation of advanced military training techniques and cutting edge neuroscience David Amerland's book provides concrete strategies and real world skills that can help us be better At our jobs In our relationships In our executive decision making In the paths we choose to take through life By learning how snipers teach their minds to eliminate fears and deal with uncertainty we can also develop the mental

toughness we need to achieve the goals that seem to elude us in business as well as in life **The Movie Business Book** Jason E Squire, 2016-08-05 Tapping experts in an industry experiencing major disruptions The Movie Business Book is the authoritative comprehensive sourcebook covering online micro budget movies to theatrical tentpoles This book pulls back the veil of secrecy on producing marketing and distributing films including business models dealmaking release windows revenue streams studio accounting DIY online self distribution and more First hand insider accounts serve as primary references involving negotiations management decisions workflow intuition and instinct The Movie Business Book is an essential guide for those launching or advancing careers in the global media marketplace

Horror Noire Robin R. Means Coleman, 2022-11-01 From King Kong to Candyman the boundary pushing genre of horror film has always been a site for provocative explorations of race in American popular culture This book offers a comprehensive chronological survey of Black horror from the 1890s to present day In this second edition Robin R Means Coleman expands upon the history of notable characterizations of Blackness in horror cinema with new chapters spanning the 1960s 2000s and 2010s to the present and examines key levels of Black participation on screen and behind the camera The book addresses a full range of Black horror films including mainstream Hollywood fare art house films Blaxploitation films and U S hip hop culture inspired Nollywood films This new edition also explores the resurgence of the Black horror genre in the last decade examining the success of Jordan Peele's films Get Out 2017 and Us 2019 smaller independent films such as The House Invictus 2018 and Nia DaCosta's sequel to Candyman 2021 Means Coleman argues that horror offers a unique representational space for Black people to

challenge negative or racist portrayals and to portray greater diversity within the concept of Blackness itself This book is essential reading for anyone seeking to understand how fears and anxieties about race and race relations are made manifest and often challenged on the silver screen *Thinking about Movies* Peter Lehman,William Luhr,2018-10-30 A complete introduction to analyzing and enjoying a wide variety of movies for film students and movie lovers alike Thinking About Movies Watching Questioning Enjoying Fourth Edition is a thorough overview of movie analysis designed to enlighten both students and enthusiasts and heighten their enjoyment of films Readers will delve into the process of thinking about movies critically and analytically and find how doing so can greatly enhance the pleasure of watching movies Divided roughly into two parts the book addresses film studies within the context of the dynamics of cinema before moving on to a broader analysis of the relationship of films to the larger social cultural and industrial issues informing them This updated fourth edition includes an entirely new section devoted to a complete analysis of the film adaptation of The Girl with the Dragon Tattoo along with many in depth discussions of important films such as Citizen Kane and Silence of the Lambs The chapter on television integrates a major expansion distinguishing between television in the digital era of the convergence of the entertainment and technology industries in comparison to the era of broadcast analogue television The final chapter places film within the current context of digital culture globalization and the powerful rise of China in film production and exhibition The authors clearly present various methodologies for analyzing movies and illustrate them with detailed examples and images from a wide range of films from cult classics to big budget award winning movies This helps viewers see new things in movies and also better understand and explain why they like some better than others Thinking About Movies Watching Questioning Enjoying Fourth Edition is ideal for film students immersed in the study of this important contemporary medium and art form as well as students and readers who have never taken a class on cinema before **Civil Servants on the Silver Screen** Michelle C. Pautz,2017-12-29 In the movies government often finds itself in a variety of roles from villain to supporting cast and rarely if ever the hero A frequent component of that role is the bureaucracy and as documented in Civil Servants on the Silver Screen Hollywood's Depiction of Government and Bureaucrats bureaucrats are routinely found on screen This book investigates how government bureaucrats are portrayed in the top ten box office grossing films from 2000 through 2015 Perhaps unsurprisingly government is generally portrayed poorly while individual government bureaucrats are typically depicted positively These images of government on screen are particularly important given the ability of movies to influence the attitudes and perceptions of its audiences The nature of these depictions and potential implications are considered as bureaucrats in film are categorized **Media/Society** David Croteau,William Hoynes,Clayton Childress,2021-06-03 Media Society Technology Industries Content and Users helps students understand the relationship between media and society and gets them to think critically about recent media developments *Gender, Race, and Class in Media* Bill Yousman,William E Yousman,Lori Bindig Yousman,Gail Dines,Jean McMahon Humez,2020-07-24 Incisive analyses

of mass media including such forms as talk shows MTV the internet soap operas television sitcoms dramatic series pornography and advertising enable this provocative new edition of *Gender Race and Class in Media* to engage students in critical mass media scholarship Issues of power related to gender race and class are integrated into a wide range of articles examining the economic and cultural implications of mass media as institutions including the political economy of media production textual analysis and media consumption Throughout *Gender Race and Class in Media* examines the mass media as economic and cultural institutions that shape our social identities especially in regard to gender race and class [How to Work the Film & TV Markets](#) Heather Hale, 2017-07-28 How to Work the Film An overview of the co production market circuit that offers financing and development support to independent producers An outline of the market like festivals and key awards shows A breakdown of who s who at all these events and how to network with them Hot Tips on how to prepare for execute and follow up on these prime opportunities Low budget key art samples and game plans A social media speed tour with a wealth of audience engagement ideas Visit the book s space on [www HeatherHale com](http://www.HeatherHale.com) for additional resources and up to date information on all these events *Media, Culture, and Decolonization* Wunpini Fatimata Mohammed, 2025-12-09 *Media Culture and Decolonization* Re righting the Subaltern Histories of Ghana invites us to look at media and culture from a decolonial perspective Through Dagba epistemologies and knowledge systems this book examines media by highlighting how African languages cultures and traditions can shift how we think of knowledge It is an offering to anyone curious about the relationship between culture language and media By focusing on African language media in Ghana such as film television and radio the book emphasizes the importance of espousing a decolonial politic and praxis in the process of co creating knowledge with Indigenous communities It connects the struggles of global majority countries and demonstrates the ways in which neo colonialism and imperialism impede the work toward liberatory futures This book demonstrates the potential that African language media hold as tools of cultural and epistemological decolonization **A Short History of Film, Fourth Edition** Wheeler Winston Dixon, Gwendolyn Audrey Foster, 2025-10-14 This updated and expanded edition of *A Short History of Film* provides an accessible overview of the major movements directors studios and genres from the 1880s to the present Succinct yet comprehensive with more than 250 rare stills and illustrations it brings readers face to face with many of the key players and films that have shaped the industry Beginning with the precursors of moving pictures Wheeler Winston Dixon and Gwendolyn Audrey Foster lead a fast paced tour through the invention of the kinetoscope the introduction of sound and color between the two world wars and ultimately the computer generated imagery of the present day They detail significant periods in world cinema including the creation of early major industries in Europe the dominance of the Hollywood studio system in the 1930s and 1940s and the French New Wave of the 1960s They also highlight independent efforts in developing nations and the corresponding more personal independent film movement that briefly flourished in the United States Along the way the authors incorporate the stories of women and other minority

filmmakers who have often been overlooked in other texts Compact and easily readable this is a vital history of international cinema is a one stop resource for students teachers and general readers alike
