

Autobiografisch Rolling Stones

Bill German

Autobiografisch Rolling Stones:

Rolling Stones David Dalton, Mick Farren, Mariëlla Snel, Rolling Stones, 1989 Uitspraken uit de periode 1967-1980 van leden van de Britse popgroep over hun muziek, hun leven en collega's *Life* Keith Richards, 2010-10-26 The long awaited autobiography of Keith Richards, guitarist, songwriter, singer and founding member of the Rolling Stones. With The Rolling Stones, Keith Richards created the songs that roused the world and he lived the original rock and roll life. Now at last the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones' first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in 'Jumpin' Jack Flash' and 'Honky Tonk Women'. His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France. Wildfire tours of the U.S. Isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and expensive winos and the road that goes on forever. With his trademark disarming honesty, Keith Richards brings us the story of a life we have all longed to know more of: unfettered, fearless and true. **The Rolling Stones** Dora Loewenstein, 2003 *Life* Keith Richards, 2010-10-26 The lead guitarist for The Rolling Stones offers a no-holds-barred account of his life from a youth obsessed with Chuck Berry to his formation of the Stones and their subsequent stardom in a book where the author frankly discusses his problems with drugs, his relationships, his estrangement from Mick Jagger, bandmate Brian Jones' death and more. 1.5 million first printing. 500,000 ad promo. **Like a Rolling Stone** Jann S. Wenner, 2022-09-13 In this New York Times bestseller, Rolling Stone founder, co-editor and publisher Jann Wenner offers a touchingly honest and wonderfully deep memoir from the beating heart of classic rock and roll. Bruce Springsteen: Jann Wenner has been called by his peers the greatest editor of his generation. His deeply personal memoir vividly describes and brings you inside the music, the politics and the lifestyle of a generation, an epoch of cultural change that swept America and beyond. The age of rock and roll in an era of consequence: what will be considered one of the great watersheds in modern history. Wenner writes with the clarity of a journalist and an essayist. He takes us into the life and work of Bob Dylan, John Lennon, Mick Jagger, Bono and Bruce Springsteen to name a few. He was instrumental in the careers of Hunter S. Thompson, Tom Wolfe and Annie Leibovitz. His journey took him to the Oval Office with his legendary interviews with Bill Clinton and Barack Obama, leaders to whom Rolling Stone gave its historic, full-throated backing. From Jerry Garcia to the Dalai Lama, Aretha Franklin to Greta Thunberg, the people Wenner chose to be seen and heard in the pages of Rolling Stone tried to change American culture, values and morality. Like a Rolling Stone is a beautifully written portrait of one man's life and the life of his generation. **Under Their Thumb** Bill German, 2009-02-24 Under Their Thumb is an up-close and extremely personal dispatch from the amazing, exclusive world of the Rolling Stones by someone who was lucky enough to live it and sober enough to remember it all. The epic tale of an obsessive teenager who launched a Rolling Stones fanzine and spent the

next two decades capturing the band's whirlwind metamorphosis from behind the scenes First rate firsthand account of the world's greatest rock n roll band and a disenchanted chronicle of its increasingly crass commercialization Kirkus Reviews As a teenager Bill German knew exactly what he wanted to do with his life chronicle the career and adventures of his favorite rock band the Rolling Stones And in 1978 on his sixteenth birthday he set out to make his dream a reality Feverishly typed in his Brooklyn bedroom and surreptitiously printed in his high school's mimeograph room German's Stones only newsletter Beggars Banquet was born His teachers discouraged it his parents dismissed it as a phase and his disco loving classmates preferred the Bee Gees but for German this primitive pre Internet fanzine was a labor of love And a fateful encounter with his idols on the streets of New York soon proved his efforts weren't in vain Impressed with Beggars Banquet the Stones gave the zine instant cred on the rock scene by singing its praises and by inviting German to hang with the band At first a fish out of water in the company of rock royalty German found himself spilling orange juice on a priceless rug in Mick Jagger's house and getting pegged as a narc by pals of Keith Richards and Ron Wood But before long he became a familiar fixture in the inner sanctum not just reporting Stones stories but living them He was a player in the Mick versus Keith feud and was an eyewitness to Keith's midlife crisis and Ron's overindulgences He even had a reluctant role in covering up Mick's peccadilloes In the span of a few months German recalls I'd gone from wanting to know everything about my favorite rock stars to knowing too much In this warts and all book which includes many never before seen photographs German takes us to the Stones homes recording sessions and concerts around the world He charts the band's rocky path from the unthinkable depths of a near breakup to the obscenely lucrative heights of their blockbuster tours And ultimately German reveals why his childhood dream come true became a passion he finally had to part with

Ronnie Ron Wood, 2007 On 1st June 1975 Ronnie Wood made his debut performance with The Rolling Stones at Louisiana State University For more than three decades since then Ronnie Mick Jagger Keith Richards and Charlie Watts have formed the core of the greatest rock n roll band in history This book is Ronnie's autobiography and like the band it can only be talked about in superlatives it's simply one of the biggest most outrageous most extraordinary and most fun rock n roll memoirs ever to be published From early 1960s Britain when acts like The Yardbirds The Kinks The Who and The Rolling Stones crisscrossed the country's club scene in clapped out vans barely making ends meet but having the time of their lives through to the global mega stadium concerts of the 21st century in 2006 the Stones played live to more than two million people in Rio Ronnie takes us on a journey through his life and through rock history Filled with unforgettable characters and truly eye popping stories his autobiography reveals Ronnie the husband father grandfather artist and rock star the way you have never seen any rock star before Ronnie is an up front and personal look at life as a Rolling Stone from the inside and at the Stones as the rest of the world has never seen them After Ronnie sex drugs and rock n roll will never be the same again

When Giants Walked the Earth Mick Wall, 2019-01-10 Ze waren de laatste grote band van de jaren zestig de eerste grote band uit de jaren zeventig When Giants

Walked the Earth is het hoogtepunt van jaren onderzoek en vertelt het volledige schokkende verhaal van Led Zeppelin van binnenuit geschreven door iemand die Jimmy Page al meer dan twintig jaar kent Mick Wall vertelt het verhaal van de band die het handboek schreef voor on the road losbandigheid en die daar uiteindelijk de prijs voor betaalde met ramspoed drugsverslaving en de dood

The Rolling Stone Williams N Arnold, 2024-07-12 In *The Rolling Stone* embark on a riveting exploration of Mick Jagger's extraordinary life a saga of music rebellion and enduring influence From his early days in post war England to his meteoric rise as the frontman of The Rolling Stones this biography delves deep into the life of a true rock n roll icon Discover the man behind the legend as we uncover the layers of Jagger's persona the electrifying performer the relentless innovator and the complex individual With unparalleled access to rare interviews personal anecdotes and behind the scenes stories *The Rolling Stone* paints an intimate portrait of a man who defined an era Witness Jagger's transformation from a young ambitious dreamer into a cultural phenomenon who redefined the boundaries of music and style Explore the highs and lows of his journey his groundbreaking performances tumultuous relationships and the controversies that kept him in the public eye *The Rolling Stone* is more than just a biography it's a vivid narrative of an artist's unyielding spirit and a testament to his lasting impact on music and culture Through the lens of Jagger's life this book captures the essence of rock n roll and the spirit of an era that continues to inspire generations Prepare to be enthralled by the story of Mick Jagger a true rolling stone who despite the passage of time remains as dynamic and influential as ever This is the definitive account of a legend whose legacy continues to roll on shaping the soundscape of modern music Order now

Out of Our Heads Ronnie Schneider, 2017-05-01
