Story Behind the Book While studying American history in high school I was struck with a strange fascination for the Civil War That fascination grew stronger when I studied it again in college and I have visited many of the sites where the battles took place When I visited the Appomattox Court House in Virginia where General Robert E Lee signed the documents of surrender before General Ulysses S Grant I was struck with the thought of creating a series of novels based upon specific battles in the Civil War I wanted to mold fictional characters with real ones and fill the stories with romance suspense intrigue and the excitement of battle That s how the Battles of Destiny series came to be
