Whether you're an impulse shopper, whether you shop out of boredom or other emotions or if the tough go shopping has always been your motto, you may feel that you simply have to shop that there are never enough clothes or the right clothes to make you feel complete, confident and in control. But in tough economic times there is a better way: a whole new lifestyle of evaluating your true wardrobe needs, making smart choices and changing your spending habits from the inside out. The results: More time, no more Saturdays spent wandering the mall aimlessly, more space, your closet makeover will turn that priceless piece of real estate into your favorite go-to boutique and more cash or if you prefer less credit card debt.
