I could not put this book down and have told all of my friends to get a copy to read. I can't wait for the rest of the series. It was a fun, refreshing take on magic and creatures. The characters are so captivating. I am glad to see a magic-related series that is more female-based and has more of the Supernatural feel to it. L. Coffing Added to my collection of urban fantasy beautifully written. Tevin I've read other things by this author but this one stands head and shoulders above the others. Fast-paced, fascinating characters, twists and turns, loved it all and am so happy I could dive right into the second. Keep them coming, don't want to go into withdrawals. Tami Cowles This is a well-structured and exciting tale with a magical system that any Fantasy lover would die for. This inspiring first novel shows a promising start to a series and kept a firm grasp on my attention throughout. Trials of Magic makes for an addictive read. Many times I even found myself shouting at the characters, praying either for their safety or for them to succeed in their endeavors. A true work of fiction with great artistic flair. There is a lot of heart embedded within these pages. Trials of Magic is a five-star read and a real credit to Mr. Thomas Carpenter.
