

Bluebeards Egg

M Mosston

Bluebeards Egg:

Bluebeard's Egg Margaret Atwood, 2010-12-17 By turns humorous and warm stark and frightening *Bluebeard's Egg* infuses a Canada of the 1940s 50s and 80s with glowing childhood memories the harsh realities of parents growing old and the casual cruelty that men and women inflict on each other Here is the familiar outer world of family summers at remote lakes winters of political activism and seasons of exotic friends mundane lives and unexpected loves But here too is the inner world of hidden places and all that emerges from them the intimately personal the fantastic and the shockingly real whether it's what lies in a mysterious locked room or in the secret feelings we all conceal

Male Perspectives in Atwood's "Bluebeard's Egg" and Hazzard's The Transit of Venus Giada Goracci, 2016-06-22 Postmodern revisions of fairy tales have influenced several discourses and disciplines especially during the second half of the twentieth century In particular during the course of postmodernism the rewriting of classic fairy tales has contributed to the subversion of their stereotypical structures thus advancing alternative readings This work offers an investigation into gender discourse in two postmodern rewritings of Bluebeard namely Margaret Atwood's *Bluebeard's Egg* and Shirley Hazzard's *The Transit of Venus* especially focusing on male queer perspectives that have not yet been taken into consideration Starting from an overview on the diverse conceptualisations of the terms gender and sexuality in modern and contemporary times this book analyses the birth and evolution of male studies and subsequently explores the ways in which they have influenced the interpretation of classical tales By means of an intertwined and shifting process which enables the characters of these contemporary revisions to disguise their identities within the pages and beyond their texts the figure of Bluebeard reveals himself as the in between pattern for contemporary gender conceptualisations

Bluebeard's Egg and Other Stories Margaret Atwood, 1983

Bluebeard Casie Hermansson, 2009 Bluebeard is the main character in one of the grisliest and most enduring fairy tales A serial wife murderer he keeps a horror chamber in which remains of all his previous matrimonial victims are secreted from his latest bride She is given all the keys but forbidden to open one door of the castle This is a major study of the tale and its many variants in English from the 18th and 19th century chapbooks children's toybooks pantomimes melodramas and circus spectacles to the 20th century in music literature art film and theatre

Margaret Atwood Reingard M. Nischik, 2000 Novelist poet cultural critic Margaret Atwood is one of the most fascinating versatile and productive authors of our time a superb writer in any genre she chooses to tackle This book was prepared on the occasion of Atwood's sixtieth birthday in November 1999 Its first aim is therefore to take stock of Atwood's multifarious works and international impact at the height of her creative powers Secondly the book serves as a wide ranging introduction to the writer and her works Fifteen informative articles written specifically for this volume by Atwood specialists from Canada the USA the UK Germany and France treat her life and status her works up to date survey articles on Atwood's novels short fiction poetry and literary and cultural criticism and important approaches to her works from the standpoints of gender politics mythology ecology popular

culture constructivism and Canadian nationalism A final section on creativity transmission and reception includes an interview with Atwood on creativity statements by some of Atwood's important transmitters including publishers editors literary agents and translators and some 15 statements by Atwood's fellow writers in which they explore her importance for them A number of photographs of Atwood several cartoons drawn by her an up to date bibliography of works by and about Atwood and an index round out the volume Reingard M Nischik is Professor of American literature at the University of Konstanz Germany

Fairy Tales as Social Critique in Adaptations by Women Writers Laura Alexander, 2025-03-10 This collection considers how women writers subvert normative structures in their adaptations of fairy tales Though fairy tales as a genre have long been associated with conservative values writers like Anne Sexton Angela Carter and Emma Donoghue among others reimagine fairy tales as an instrument of social critique of traditional structures The essays in this collection consider the way women writers rewrite mythologies inherited from the past charting the decline of aristocratic systems and entrenched class structures

Bluebeard's Egg Margaret Atwood, 1998-01-20 By turns humorous and warm stark and poignant these stories from the bestselling author of *The Handmaid's Tale* and *The Testaments* probe childhood memories the reality of parents growing old and the casual cruelty men and women can inflict on one another A tenuous teenage love affair fails to survive a hurricane a man notices the women around him becoming progressively paler and smaller a surgeon who specializes in hearts seems oddly emotionally opaque to his wife a middle aged couple's waning affection rekindles at the spectacle of rare Jamaican birds In these exceptional short stories Margaret Atwood proves herself once again a true master of the form

Secrets Beyond the Door Maria Tatar, 2006-10-03 Maria Tatar analyses the many forms the tale of Bluebeard's wife has taken over time showing how artists have taken the Bluebeard theme and revived it with their own signature twists

Tales of Bluebeard and His Wives from Late Antiquity to Postmodern Times Shuli Barzilai, 2013-01-11 This project provides an in depth study of narratives about Bluebeard and his wives or narratives with identifiable Bluebeard motifs and the intertextual and extratextual personal political literary and sociocultural factors that have made the tale a particularly fertile ground for an author's adaptation of the story Whereas Charles Dickens for example expresses a sympathetic identification with Bluebeard and a discernable strain of misogyny emerges in his recreation of the tale and recurrent allusions to it his contemporary William Makepeace Thackeray uses the tale as a springboard for his critique of avarice hypocrisy pretension and the subjugation of women in Victorian society

The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection

redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century. A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada, the US and Great Britain via representative examples completes it. The collection is geared both to specialists in and to students of Canadian literature. For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story. Reingard M. Nischik is professor and chair of American Literature at the University of Constance, Germany.

Unveiling the Magic of Words: A Report on "**Bluebeards Egg**"
