as they fought flames and flooding well into the night The author also describes the frigate s origins its operational history and the crew s training Peniston s personal approach to the subject not only breathes life into the historical narrative but gives readers an opportunity to get to know the individuals involved and understand the U S retaliation to the mining and the battle that evolved setting the stage for conflicts to come *Sealab* Ben Hellwarth,2012-01-10 Sealab tells the story of how the U S Navy program tried to develop the marine equivalent of the space station and why the Navy pulled the plug Hellwarth has interviewed surviving members of the three Sealab experiments in addition to conducting archival research to tell this first comprehensive story about the Sealab program Catalog of Copyright Entries.
