Minorities and Representation in American Politics Rebekah Herrick, 2016-01-29 *Minorities and Representation in American Politics* is the first book of its kind to examine underrepresented minorities with a framework based on four types of representation descriptive formalistic symbolic and substantive Through this lens author Rebekah Herrick looks at race ethnic gender and sexual minorities not in isolation but synthesized within every chapter This enables readers to better recognize both the similarities and differences of groups underrepresentation Herrick also applies her unique and constructive approach to intergroup cooperation and intersectionality highlighting the impact that groups can have on one another

The African American Electorate Hanes Walton, Sherman C. Puckett, Donald R. Deskins, 2012-05-01 How have African Americans voted over time What types of candidates and issues have been effective in drawing people to vote These are just two of the questions that *The African American Electorate A Statistical History* attempts to answer by bringing together all of the extant fugitive and recently discovered registration data on African American voters from Colonial America to the present This pioneering work also traces the history of the laws dealing with enfranchisement and disenfranchisement of African Americans and provides the election return data for African American candidates in national and sub national elections over this same time span Combining insightful narrative tabular data and original maps *The African American Electorate* offers students and researchers the opportunity for the first time to explore the relationship between voters and political candidates identify critical variables and situate African Americans voting behavior and political phenomena in the context of America's political history

Aaron Henry of Mississippi Minion K. C. Morrison, 2015-06-05 Winner of the 2016 Lillian Smith Book Award When Aaron Henry returned home to Mississippi from World War II service in 1946 he was part of wave of black servicemen who challenged the racial status quo He became a pharmacist through the GI Bill and as a prominent citizen he organized a hometown chapter of the NAACP and relatively quickly became leader of the state chapter From that launching pad he joined and helped lead an ensemble of activists who fundamentally challenged the system of segregation and the almost total exclusion of African Americans from the political structure These efforts were most clearly evident in his leadership of the integrated Mississippi Freedom Democratic Party

delegation which after an unsuccessful effort to unseat the lily white Democratic delegation at the Democratic National Convention in 1964 won recognition from the national party in 1968 The man who the New York Times described as being at the forefront of every significant boycott sit in protest march rally voter registration drive and court case eventually became a rare example of a social movement leader who successfully moved into political office Aaron Henry of Mississippi covers the life of this remarkable leader from his humble beginnings in a sharecropping family to his election to the Mississippi house of representatives in 1979 all the while maintaining the social change ideology that prompted him to improve his native state and thereby the nation

Women and Political Participation Barbara Burrell, 2004-10-26 An illuminating analysis of the long and ongoing struggle of women in America to gain political equality and bring about change in public policy Women and Political Participation examines the involvement of women in American politics concentrating mainly on their participation since the birth of the second women s movement in the late 1960s From the creation of grassroots and national organizations to voting and running for office this thought provoking volume explores the diverse ways in which women have affected change and achieved greater representation in political leadership Detailed discussions of key documents like the Declaration of Sentiments and the Equal Rights Amendment political action committees such as EMILY s List which supports pro choice Democratic female candidates Margaret Sanger Betty Friedan and other activists and groups like the League of Women Voters reveal the complexities of women s efforts to gain equality and identify the barriers that remain today

Oversight Michael D. Minta, 2011-08-08 Oversight answers the question of whether black and Latino legislators better represent minority interests in Congress than white legislators and it is the first book on the subject to focus on congressional oversight rather than roll call voting In this important book Michael Minta demonstrates that minority lawmakers provide qualitatively better representation of black and Latino interests than their white counterparts They are more likely to intervene in decision making by federal agencies by testifying in support of minority interests at congressional oversight hearings Minority legislators write more letters urging agency officials to enforce civil rights policies and spend significant time and effort advocating for solutions to problems that affect all racial and ethnic groups such as poverty inadequate health care fair housing and community development In Oversight Minta argues that minority members of Congress act on behalf of broad minority interests inside and outside their districts because of a shared bond of experience and a sense of linked fate He shows how the presence of black and Latino legislators in the committee room increases the chances that minority perspectives and concerns will be addressed in committee deliberations and also how minority lawmakers are effective at countering negative stereotypes about minorities in policy debates on issues like affirmative action and affordable housing
