Cleophus James LaRue

Afrocentric Sermons The Beauty Of Blackness In The Bible:

Afrocentric Sermons Kenneth L. Waters,1993 Afrocentricity seeks to rescue African history and heritage from its exile within our culture and encourage within African Americans the God given self esteem and dignity that have been eroded over the years What better forum is there than the pulpit to proclaim hope through a clear message of freedom and worth from the Forword by Cain Hope Felder **The Heart of Black Preaching** Cleophus James LaRue,2000-01-01 LaRue provides important insights on why black preaching is strong and active and connects with the real life experiences of listeners Christian **A Contemporary Introduction to the Bible** Colleen M. Conway,David M. Carr,2021-08-16 Explore a timely introduction to the formation of the Bible in its historical and modern contexts In the newly revised Second Edition of A Contemporary Introduction to the Bible Sacred Texts and Imperial Contexts accomplished scholars and authors Colleen M Conway and David M Carr deliver a rigorous accessible and up to date introduction to the Bible The textbook places the Hebrew Bible Old Testament and New Testament in the broader context of world history with a special focus on the empires that influenced the Bible s formation Readers are introduced to the academic study of the Bible through a range of scholarly approaches Readers benefit from the inclusion of A thorough introduction to the Bible in its ancient contexts from the emergence of Israel s earliest traditions to the writing and reshaping of the Bible amidst Assyrian Babylonian Persian Hellenistic and Roman empires The most up to date work in the field seamlessly integrated into every chapter A wealth of pedagogical features including study questions bibliographies timelines and illustrations An unparalleled coverage of both fundamental topics and cutting edge issues resulting in a truly outstanding textbook Perfect for undergraduate and graduate students studying religion history sociology and philosophy A Contemporary Introduction to the Bible Sacred Texts and Imperial Contexts Second Edition will also earn a place in the libraries of religious scholars and researchers seeking a one stop reference to the Bible in its ancient and modern context **Preaching with Sacred Fire: An Anthology of African American Sermons, 1750 to the Present** Martha Simmons, Frank A. Thomas,2010-08-16 One hundred sermons that display the victorious although sometimes painful historical and spiritual pilgrimage of black people in America A groundbreaking anthology Preaching with Sacred Fire is a unique and powerful work It captures the stunning diversity of the cultural and historical legacy of African American preaching more than three hundred years in the making Each sermon as editors Martha Simmons and Frank A Thomas reveal is a work of art and a lesson in unmatched rhetoric The journey through this anthology which includes selections from Jarena Lee Frederick Douglass Malcolm X Martin Luther King Jr Gardner C Taylor Vashti McKenzie and many others offers a rare view of the unheralded role of the African American preacher in American history The collection provides new insights into the underpinnings of the black fight for emancipation and the rise and growth of the Civil Rights and Black Power movements Sermons from the first decade of the twenty first century point toward the future of African American preaching Biographies of the preachers put their work in the cultural and homiletic

context of their periods The preachers of these sermons are men and women from a range of faiths ancestries and educational backgrounds They draw on a vast and luminous landscape of poetic language using metaphor rhythm and imagery to communicate with their congregations What they all have in common is hope resilience and sacred fire Even during the most difficult and oppressive times Simmons and Thomas write in the preface the delivery creativity charisma expressivity fervor forcefulness passion persuasiveness poise power rhetoric spirit style and vision of black preaching gave and gives hope to a community under siege This magnificent work beautifully renders the complexity spiritual richness and strength of African American life

Black Church Studies Stacey M. Floyd-Thomas, 2007 Religious Studies Over the last thirty years African American voices and perspectives have become essential to the study of the various theological disciplines Writing out of their particular position in the North American context African American thinkers have contributed significantly to biblical studies theology church history ethics sociology of religion homiletics pastoral care and a number of other fields Frequently the work of these African American scholars is brought together in the seminary curriculum under the rubric of the black church studies class Drawing on these several disciplines the black church studies class seeks to give an account of the broad meaning of Christian faith in the African American experience Up to now however there has not been a single comprehensive textbook designed to meet the needs of students and instructors in these classes *Black Church Studies An Introduction* will meet that need Drawing on the work of specialists in several fields it introduces all of the core theological disciplines from an African American standpoint from African American biblical interpretation to womanist theology and and ethics to sociological understandings of the life of African American churches It will become an indispensable resource for all those preparing to serve in African American congregations or to understand African American contributions to the study of Christian faith Looks at the diverse definitions and functions of the Black Church as well as the ways in which race class religion and gender inform its evolution Provides a comprehensive view of the contributions of African American Scholarship to the current theological discussion Written by scholars with broad expertise in a number of subject areas and disciplines Will enable the reader to relate the work of African American theological scholars to the tasks of preaching teaching and leading in local congregations Will provide the reader the most comprehensive understanding of African American theological scholarship available in one volume Stacey Floyd Thomas Brite Divinity School Juan Floyd Thomas Texas Christian University Carol B Duncan Wilfrid Laurier University Stephen G Ray Jr Lutheran Theological Seminary Philadelphia Nancy Lynne Westfield Drew University Theology Theology and Doctrine Contemporary Theology

Contemporary African American preaching P3040 , L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories Portraying the many approaches that are empowering preaching in African American churches today Bond shows how different theological perspectives produce different methods of sermon preparation and delivery different strategies for selecting illustrative material and even different ways of
