## **Afternoons With Mr Hogan:**

**Afternoons with Mr. Hogan** Jody Vasquez, 2004 Offering firsthand anecdotes about the legendary golfer the author describes his twenty year friendship with Ben Hogan and how he shared his ideas on practice golf course management character and values

**Afternoons with Mr. Hogan** Jody Vasquez, 2005-03-24 Ben Hogan's former ball shagger recounts firsthand stories of the golf legend and reveals for the first time Hogan's Swing Secret a source of mystery to golfers for more than fifty years Ben Hogan's pro golf record is legendary A four time PGA Player of the Year he celebrated sixty three tournament wins and became known as a man of few words and fewer close friends Most of what we know about Hogan has been based on myth and speculation Until now In the 1960s though Hogan's competitive career was over he kept the practice habits that made him famous and remade modern competitive golf He hired seventeen year old Jody Vasquez to help Each day after driving to a remote part of the course at Shady Oaks Country Club Hogan would spend hours hitting balls and Vasquez would retrieve them There and over the course of their twenty year friendship Hogan taught Jody the mechanics of his famous swing and shared his thoughts on playing practicing and course management unknowingly revealing much about his character values and beliefs and the events that shaped them In *Afternoons with Mr Hogan* Jody Vasquez shares dozens of stories about Hogan from the way he practiced selected his clubs and interacted with other star players to his little known humor and generosity Combining the gentle insight of Tom Kite's *A Fairway to Heaven* which recalls Kite's golf education under Harvey Penick with the sage perspective of Penick's own *Little Red Book* Vasquez's tribute is funny poignant and full of advice for golfers of all levels

*The Caddie Who Knew Ben Hogan* John Coyne, 2025-09-23 Returning as an honored guest to the exclusive country club where he worked in his youth Jack Handley remembers the summer of 46 when he caddied for Ben Hogan in the last Chicago Open Now a respected historian Jack recounts to the assembled sons and daughters of members he once knew the dramatic match between the mysterious and charismatic Hogan and the young club pro he idealized *The Caddie Who Knew Ben Hogan* is filled with dazzling descriptions of hole by hole match play drama and laced with anecdotes from that golden age of sports This bittersweet novel of friendship lost love and great golf is told through the eyes of a 14 year old boy whose life is forever changed by one of the greatest players of the game

**Ben Hogan** Tim Scott, 2015-04-01 Ben Hogan's accomplishments on the golf course are the stuff of legends but his life off it was exceedingly private In this biography author Tim Scott demonstrates why such public perception was not representative of Hogan's personality offering a firsthand glimpse into the famous golfer's humor and sensitivity Hogan wasn't perfect and many of his fine qualities were never made public until now as Tim Scott shares his personal experience with Hogan as well as Hogan's friends family and acquaintances Along the way a clearer picture emerges of Hogan as a man a golfer a friend and a husband

*The Secret of Hogan's Swing* Tom Bertrand, Printer Bowler, 2010-12-13 Praise for *The Secret of Hogan's Swing* The *Secret of Hogan's Swing* goes beyond pure instruction offering insightful shot making and strategy tips passed on

to former tour pro John Schlee from Ben Hogan and interpreted wonderfully by Tom Bertrand and Printer Bowler John Andrisani author of *Tiger's New Swing* and *Heaven Can Wait* Like finding the Rosetta stone of golf Tom Bertrand and Printer Bowler's *The Secret of Hogan's Swing* gives us a pipeline to the Master's wisdom that we thought had been lost forever Secret is an instruction book like no other It's the Hogan book Hogan himself never wrote packed with the insights the great champion passed on to John Schlee in a fascinating mentor disciple relationship and that Schlee in turn bequeathed to Tom Bertrand We'll probably never have anything like this again Hogan's gone Schlee's gone but thank goodness we've got Tom Bertrand to preserve the nuggets of pure golfing gold that the Master dug up out of the dirt of ten thousand practice tees and a thousand tournaments *The Secret of Hogan's Swing* demonstrates that the vein of wisdom left by the peerless champion still yields up precious ore not just in the technical aspects of the golf swing Hogan's concepts are not only absolutely modern but even quite radical but in his insights into the psychological and mental aspects of the game His concept of the moving wall is worth the price of the book alone A must read for every serious student of the game Steven Pressfield author of *The Legend of Bagger Vance*      *Ben Hogan's Magical Device* Ted Hunt, 2009-05-26 In 1954 Ben Hogan stated in the serialized lessons he wrote for Life magazine that he had a secret He challenged the world to find it by stating It is easy to see if I tell you where to look He then wrote his legendary instructional book *Five Lessons* and created a remarkable golf swing puzzle but somehow one important piece of information was missing Golf expert after golf expert have attempted to define this secret over the years serving to compile a rather lengthy list of what they think the secret is but never quite explaining how it's done Enter Ben Hogan's *Magical Device* a revealing book which intends to finally explain in universally understandable terms that long lost secret to Hogan's swing As a lifelong golfer with 50 years of experience two degrees in Physical Education and a Doctorate in History author Ted Hunt became determined to track down Hogan's secret himself He reviewed most of the literature concerning Hogan and interviewed many professionals including Jack Nicklaus and the result of his research produced a clearer understanding of the source of the confusion concerning Hogan's secret An hypothesis was conceived and tested and Hunt was pleased to discover that his analysis stood up to critical examination But perhaps more importantly his golf responded with more accuracy and lower scores which included shooting his age 79 several times within weeks of embracing the secret Complete with 100 photos illustrations and a foreword by movie star Sean Connery Ben Hogan's *Magical Device* gives an easy to follow explanation of Hogan's secret where it comes from and the foundations which support its successful execution Interspersed throughout the text are stories from professional acquaintances who spoke with Hunt about their times with Mr Hogan      [Ben Hogan's Short Game Simplified](#) Ted Hunt, 2010-10-27 This edition serves as the companion to Hunt's successful *Ben Hogan's Magical Devices*      *The Hogan Theory* S. Conner, 2012-10-31 The Hogan Theory is written from the experience of a passionate golfer set on figuring out the Ben Hogan swing This is not just another book that describes what the swing looks like Nor does it explain the obvious movements The Hogan Theory reveals the

hidden actions that cause the swing to function the way it does With this book you will be able to get a better grasp of the Hogan swing from sections like The Waggle Physics Against Physics Change in Swing Plane Change in Speed To Bend a Club The Supination and many more So dive in and dare to take the journey to discover one of golf's greatest mysteries The swing is a lot easier than what people are thinking S L Conner *The Open Question* Peter May, 2021-05-12 Golfing legend Ben Hogan went to his grave believing he had won a record five US Open titles The USGA says otherwise and the controversy has endured for over 75 years In 1942 the United States Golf Association USGA cancelled its four golf tournaments for the duration of World War II But then it did something different in only that year it sponsored the Hale America National Open on the same weekend as the cancelled US Open The great Ben Hogan won that tournament and went to his grave believing he had therefore won a record five US Open titles In *The Open Question* Peter May turns his attention to this controversial colorful Hale America National Open of 1942 While providing an in depth look at the tournament itself May champions Hogan's claim to five US Open titles and debunks some questionable assertions that the tournament was not worthy of a US Open Set against the backdrop of World War II May also tells the stories of other professional golfers in the tournament and the impact of the war on all their lives The USGA has never recognized the Hale America Tournament as an official US Open and remains firm in its stance It was a decision that bothered Ben Hogan for the rest of his life *The Open Question* shows how dominant Ben Hogan was against some of the biggest names in golf and reveals why he deserves to be recognized as a five time US Open winner **Trials and Triumphs of Golf's Greatest Champions** Lyle Slovic, 2016-05-19 Golf can be a vexing and cruel game and teaches us much about ourselves It has been described as a contest calling for courage skill strategy and self control It is a test of temper a trial of honor a revealer of character In the end as with most of life success hinges on the character and spirit we possess But how would our tempers be tested if we suffered a career threatening injury from a near fatal car accident as Ben Hogan did in the prime of his life How would our honor be preserved if we faced constant derision and racism both on and off the golf course as Charlie Sifford encountered his entire career How would our character be revealed if cancer robbed us of the ability to play the game we loved as it did to Babe Didrikson Zaharias Would we give in to self pity or persevere and keep going In *Trials and Triumphs of Golf's Greatest Champions* A Legacy of Hope Lyle Slovic has pulled together the inspirational stories of six golfers and a caddy whose strength of character sustained them against the physical and emotional trials that threatened both their careers and lives In an era when many athletes have lost their luster as role models the people in this book Harry Vardon Bobby Jones Ben Hogan Babe Didrikson Zaharias Charlie Sifford Ken Venturi and Bruce Edwards offer lessons in perseverance dignity humility and faith Slovic tells each of their stories with rich detail including the childhoods that shaped their characters their rise in the world of professional golf the crises they faced in their lives their struggles to keep doing what they loved and their refusal to give up They had their flaws to be sure But when faced with a true test of will all showed a strength that inspired those around them The first book

to gather the stories of these golfers into a single volume Trials and Triumphs of Golf's Greatest Champions offers a unique blend of characters who shared the same love for a game that gave them the courage and fortitude they needed to face whatever life threw their way This book will not only interest golfers and fans of the game it will also inspire those who have suffered their own personal setbacks and show them they are not alone in their trials
