Abraham Lincoln And The Structure Of Reason:

Abraham Lincoln and the Structure of Reason David Hirsch, Dan Van Haften, 2010-11-19 The secrets of one of history's greatest orators are revealed in one of the most stunningly original works on Abraham Lincoln to appear in years. John Stauffer, professor of English and history, Harvard University. For more than 150 years, historians have speculated about what made Abraham Lincoln truly great. How did Lincoln create his compelling arguments, his convincing oratory, and his unforgettable writing? Some point to Lincoln's study of grammar, literature, and poetry. Others believe it was the deep national crisis that gave import to his words. Most agree that he honed his persuasive technique in his work as an Illinois attorney. Here, the authors argue that it was Lincoln's in-depth study of geometry that made the president's verbal structure so effective. In fact, as the authors demonstrate, Lincoln embedded the ancient structure of geometric proof into the Gettysburg Address, the Cooper Union speech, the first and second inaugurals, his legal practice, and much of his substantive post-1853 communication. Also included are Lincoln's preparatory notes and drafts of some of his most famous speeches, as well as his revisions and personal thoughts on public speaking and grammar. With in-depth research and provocative insight, *Abraham Lincoln and the Structure of Reason* offers a whole new angle on Lincoln's brilliance. James M. Cornelius, Curator, Lincoln Collection, Abraham Lincoln Presidential Library and Museum.

Abraham Lincoln and the Structure of Reason David Hirsch, Dan Van Haften, 2010 The authors argue for the first time that it was Lincoln's in-depth study of geometry that gave our sixteenth president his verbal structure. They conclude that Lincoln embedded the ancient structure of geometric proof into the Gettysburg Address, the Cooper Union speech, the First and Second Inaugurals, his legal practice, and much of his substantive post-1853 communication.

Barack Obama, Abraham Lincoln, and the Structure of Reason David Hirsch, Dan Van Haften, 2012 Authors David Hirsch and Dan Van Haften show precisely how President Obama's 2011 speeches have the same structure used by Abraham Lincoln in the Gettysburg Address and in virtually all of Lincoln's great speeches. The authors summarize and analyze President Obama's speeches and demonstrate how structure conveys meaning. Hirsch and Van Haften broke Lincoln's code regarding how Lincoln wrote his speeches, identifying and explaining this unique structure in *Abraham Lincoln and the Structure of Reason* (November 2010). Now they reveal President Obama's use of this same structure and how it is easier to understand and more straightforward than Lincoln's. Back cover.

The Tyranny of Public Discourse David Hirsch, Dan Van Haften, 2020-11-12 The ultimate teacher of fact-based, reasoned rhetoric. A nice dose of American history makes learning the groundbreaking technique fun. Nerida F. Ellerton and McKenzie A. Clements, authors on writings of Thomas Jefferson and Abraham Lincoln. Are you satisfied with the current state of public discourse? The almost unanimous response from people across the nation is a loud and emphatic No. The reply is always the same regardless of politics. Today's public discourse typically starts with a conclusion and goes downhill from there. If there are talking heads, argument begins instantly and typically runs in circles. This is a dangerous path for a society that depends upon civility and
