Courageous Faith Charles F. Stanley, 2016-09-27 As trusted pastor Dr Charles Stanley comes to the later years of his life he is ready to share his personal story on a more intimate level than ever before As he walks us through his ups and downs he shares how the biblical principles he s taught all his life affected the way he s actually lived In this new book from Dr Charles Stanley he looks his readers in the eye and says This is how my faith has worked for me at the most challenging times of my life and how it has led me to the victories God had in store for me As Dr Stanley looks back over his long life of ministry he is now ready to share how his personal faith choices directed his every step He shares how God walked with him through his most difficult days as a pastor when he faced internal conflict in a church he d led for years He bravely shares painful family issues that brought him to his knees and taught him to look to God for answers when life wasn t simple and trite answers didn t work Dr Stanley reminds us that choosing to follow and obey God when life is hard can be both the toughest and best thing we ll ever do As Dr Stanley reflects on the biblical teachings that have led him through his difficulties and joys he always comes back to this principle Do what God says is right and leave the consequences to Him no matter what that means
