American Short Story Handbook American Short Story Handbook:

Handbook of the American Short Story Erik Redling, Oliver Scheiding, 2022-01-19 The American short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture

The American Short Story Handbook James Nagel, 2014-12-08 This is a concise yet comprehensive treatment of the American short story that includes an historical overview of the topic as well as discussion of notable American authors and individual stories from Benjamin Franklin's The Speech of Miss Polly Baker in 1747 to The Joy Luck Club Includes a selection of writers chosen not only for their contributions of individual stories but for bodies of work that advanced the boundaries of short fiction including Washington Irving Sarah Orne Jewett Stephen Crane Jamaica Kincaid and Tim O'Brien Addresses the ways in which American oral storytelling and other narrative traditions were integral to the formation and flourishing of the short story genre Written in accessible and engaging prose for students at all levels by a renowned literary scholar to illuminate an important genre that has received short shrift in scholarly literature of the last century Includes a glossary defining the most common terms used in literary history and in critical discussions of fiction and a bibliography of works for further study

The American Short Story Handbook James Nagel, 2015-03-02 This is a concise yet comprehensive treatment of the American short story that includes an historical overview of the topic as well as discussion of notable American authors and individual stories from Benjamin Franklin's The Speech of Miss Polly Baker in 1747 to The Joy Luck Club Includes a selection of writers chosen not only for their contributions of individual stories but for bodies of work that advanced the boundaries of short fiction including Washington Irving Sarah Orne Jewett Stephen Crane Jamaica Kincaid and Tim O'Brien Addresses the ways in which American oral storytelling and other narrative traditions were integral to the formation and flourishing of the short story genre Written in accessible and engaging prose for students at all levels by a renowned literary scholar to illuminate an important genre that has received short shrift in scholarly literature of the last century Includes a glossary defining the most common terms used in literary history and in critical discussions of fiction and a bibliography of works for further study

The Culture and Commerce of the American Short Story Andrew Levy, 1993-09-24 The Culture and Commerce of

the Short Story is a cultural and historical account of the birth and development of the American short story from the time of Poe. It describes how America through political movements changes in education magazine editorial policy and the work of certain individuals built the short story as an image of itself and continues to use the genre as a locale within the realm of art where American political ideals can be rehearsed, debated and turned into literary forms. While the focus of this book is cultural individual authors such as Edgar Allan Poe and Edith Wharton are examined as representative of the phenomenon. As part of its project, this book also contains a history of creative writing and the workshop dating back a century. Andrew Levy makes a strong case for the centrality of the short story as a form of art in American life and provides an explanation for the genre's resurgence and ongoing success.

Megashift from Plot to Character In American Short Fiction

(1900-1941): A Critical Study, **The Development of the American Short Story** Fred Lewis Pattee, 1923 **The Short Story** Charles May, 2013-10-14 The short story is one of the most difficult types of prose to write and one of the most pleasurable to read. From Boccaccio's Decameron to The Collected Stories of Reynolds Price, Charles May gives us an understanding of the history and structure of this demanding form of fiction. Beginning with a general history of the genre, he moves on to focus on the nineteenth century when the modern short story began to come into focus. From there, he moves on to later nineteenth century realism and early twentieth century formalism and finally to the modern renaissance of the form that shows no signs of abating. A chronology of significant events, works and figures from the genre's history, notes and references, and an extensive bibliographic essay with recommended reading round out the volume.

The Cambridge Companion to the American Short Story Michael J. Collins, Gavin Jones, 2023-05-25 This Companion offers students and scholars a comprehensive introduction to the development and the diversity of the American short story as a literary form from its origins in the eighteenth century to the present day. Rather than define what the short story is as a genre or defend its importance in comparison with the novel, this Companion seeks to understand what the short story does, how it moves through national space, how it is always related to other genres and media, and how its inherent mobility responds to the literary marketplace and resonates with key critical themes in contemporary literary studies. The chapters offer authoritative introductions and reinterpretations of a literary form that has re-emerged as a major force in the twenty-first century public sphere dominated by the Internet.

A Companion to the American Short Story Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries. Written by leading critics in the field and edited by two major scholars, it explores a wide range of writers from Edgar Allan Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway, William Faulkner, F. Scott Fitzgerald, and Richard Wright. Contributions with a broader focus address groups of multiethnic Asian and Jewish writers. Each chapter places the short story into context, focusing on the interaction of cultural forces and aesthetic principles. The Companion takes account of

cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature

Gale Researcher Guide for: Naturalism in the Fiction of Stephen Crane James Nagel, Gale Researcher Guide for Naturalism in the Fiction of Stephen Crane is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

American Short Story Handbook American Short Story Handbook Introduction

In today's digital age, the availability of American Short Story Handbook American Short Story Handbook books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of American Short Story Handbook American Short Story Handbook books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of American Short Story Handbook American Short Story Handbook books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing American Short Story Handbook American Short Story Handbook versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, American Short Story Handbook American Short Story Handbook books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing American Short Story Handbook American Short Story Handbook books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for American Short Story Handbook American Short Story Handbook books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, American Short Story Handbook American Short Story Handbook books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of American Short Story Handbook American Short Story Handbook books and manuals for download and embark on your journey of knowledge?
