NARRBEGIN: MC Excerpt 1.1

The following questions refer to the excerpt below.

"It is a heavily populated land. We asked why they did not sow maize; they replied that they were not doing so in order not to lose the crop, for during two consecutive years the rains had failed and the weather had been so dry that all had lost their whole crop of maize, and they did not dare sow it again until there had been copious rain. And they begged us to tell the heavens to rain, and implore them to do so, and we promised that we would do this. We also asked them from where they had brought [the maize they had], and they said from the direction the sun had set, and in all that land there was maize everywhere."

Álvar Núñez Cabeza de Vaca, *Castaways*, 1542
