Budapest Noir:

Budapest Noir Vilmos Kondor, 2011-04-15 **Budapest Noir** Vilmos Kondor, 2012-01-31 The passing of the Hungarian prime minister before he could realize his dream of a fascist state has little effect on crime reporter Zsigmond Gordon. Life and death go on in the bustling old city and a late night tip soon leads him to a crime scene where a young woman lies dead. A Jewish prayer book in her purse. Disturbed by the bizarre circumstances, the corpse of a beautiful, well-groomed religious victim abandoned in one of Budapest's seedier neighborhoods, Gordon is determined to unravel the mystery of her demise, especially after her shocking identity is revealed. The investigation will lead him deep into the city's dark underbelly, a shadow world of pornographers, crime syndicates, and Communist cells, and to the highest echelons of power where one of Hungary's most influential executives plans to make an economic killing through his strong political ties to Germany's leaders if he can somehow keep secret the fact that he was at one time Jewish. A gripping and evocative thriller brimming with suspense and breathtaking political intrigue. Vilmos Kondor's *Budapest Noir* is a richly atmospheric tale of murder and betrayal from a remarkable new voice in noir detective fiction.

The Ageless Agatha Christie J.C. Bernthal, 2016-02-17 When Agatha Christie died in 1976, she was the bestselling mystery writer in history. This collection of new essays brings fresh perspectives to Christie scholarship with new readings and discussions of little-known aspects of her life, career, and legacy. The contributors explore her relationship with modernism, the relevance of queer theory, television adaptations, issues with translations, information behavior, theory, feminist readings, postcolonial tribute novels, celebrity culture, and heritage cinema. The final word is given to fans in an editorial that collates testimonies from readers, collectors, and enthusiasts.

The Cambridge Companion to World Crime Fiction Jesper Guldal, Stewart King, Alistair Rolls, 2022-04-21 Accessible yet comprehensive, this first systematic account of crime fiction across the globe offers a deep and thoroughly nuanced understanding of the genre's transnational history. Offering a lucid account of the major theoretical issues and comparative perspectives that constitute world crime fiction, this book introduces readers to the international crime fiction publishing industry, the translation and circulation of crime fiction, international crime fiction collections, the role of women in world crime fiction, and regional forms of crime fiction. It also illuminates the past and present of crime fiction in various supranational regions across the world, including East and South Asia, the Arab World, Sub-Saharan Africa, Europe, and Scandinavia, as well as three spheres defined by a shared language: namely, the Francophone, Lusophone, and Hispanic worlds. Thoroughly researched and broad in scope, this book is as valuable for general readers as for undergraduate and postgraduate students of popular fiction and world literature.

Urban Culture and the Modern City Ágnes Györke, Tamás Juhász, 2024-03-15 When consulting key works on urban studies, the absence of Central and Eastern European towns is striking. Cities such as Vienna, Budapest, Prague, and Trieste, where such notable figures as Freud, Ferenczi, Kafka, and Joyce lived and worked, are rarely studied in a translocal framework as if Central and Eastern Europe were still a blind spot of

European modernity This volume expands the scope of literary urban studies by focusing on Budapest and Hungarian small towns offering in depth analyses of the intriguing link between literature the arts and material culture in the 20th and 21st centuries The case studies situate Hungarian urban culture within the global flow of ideas as they explore the period of modernism the mid century and the post 1989 era in a context that moves well beyond the borders of the country Magda, a bestiális Népszínház utcai mindenek Kondor Vilmos; 2012 **Film Genres in Hungarian and Romanian Cinema**

Andrea Virginás, 2021-04-22 Film Genres in Hungarian and Romanian Cinema History Theory and Reception discusses how the Hungarian and Romanian film industries show signs of becoming a regional hub within the Eastern European canon a process occasionally facilitated by the cultural overlap through the historical province of Transylvania Andrea Virgin s employs a film historical overview to merge the study of small national cinemas with film genre theory and cultural theory and posits that Hollywood originated classical film genres have been important fields of reference for the development of these Eastern European cinemas Furthermore Virgin s argues that Hungarian and Romanian genre films demonstrate a valid evolution within the given genre s standards and thus need to be incorporated into the global discourse on this subject Scholars of film studies Eastern European studies cultural studies and history will find this book particularly useful **The Cities Book** Lonely Planet, 2017-10-01 Lonely Planet s bestselling The Cities Book is back Fully revised and updated it s a celebration of 200 of the world s most exciting urban destinations beautifully photographed and packed with trip advice and recommendations from our experts making it the perfect companion for any traveller deciding where to visit next Highlights and itineraries help travellers plan their perfect trip Urban tales reveal unexpected bites of history and local culture Discover each city s strengths best experiences and most famous exports Includes the top ten cities for beaches nightlife food and more Lonely Planet co founder Tony Wheeler shares his all time favourite cities Fully revised and updated with the best cities to visit right now About Lonely Planet Lonely Planet is a leading travel media company and the world s number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we ve printed over 145 million guidebooks and grown a dedicated passionate global community of travellers You ll also find our content online on mobile video and in 14 languages 12 international magazines armchair and lifestyle books ebooks and more TripAdvisor Travelers Choice Awards 2012 2013 2014 2015 and 2016 winner in Favorite Travel Guide category Lonely Planet guides are quite simply like no other New York Times Lonely Planet It s on everyone s bookshelves it s in every traveller s hands It s on mobile phones It s on the Internet It s everywhere and it s telling entire generations of people how to travel the world Fairfax Media Australia Important Notice The digital edition of this book may not contain all of the images found in the physical edition *Budapest Noir* Alison Langley, 2025-06-01 In Budapest Noir 1945 1956 and 1974 merge into 1991 and a nation is allowed to remember the dark days of its past and come to terms with its history before seeking to move on to a different future The novel starts with Ilona getting a phone installed in 1991 This

banal act has huge significance as before the fall of the Communist government Ilona was not allowed to have a phone as her husband took part in the 1956 Uprising and her son escaped in 1974 In 1991 with the aid of a Fulbright Scholarship with his wife and small child Ilona's son Emil returns to Budapest for the first time to create an exhibition about Hungary's transition to democracy Ilona wants her son to get back what had been stolen from them by the Communists and make them rich while Emil just wants to make art and learn about the past This clash of values nearly spells disaster There are flashbacks to the Russian army arriving in 1945 and the uprising in 1956 The novel recounts the dark and tragic events which took place It is hard not to be moved to tears by what Ilona and her family had to endure Her story is one that she shared with countless others in Budapest and Hungary during those dark days Ilona never complains and never talks about the past it is a weight she carries in silence Budapest Noir Ilona Gets A Phone is a deftly crafted skillfully written historical novel The distinctively impressive and narrative driven storytelling style of author Alison Langley raises this yesteryear historical novel to a memorable level of literary excellence It is all the more interesting when considering that Budapest Noir Ilona Gets A Phone is Langley's debut as a novelist This paperback edition of Budapest Noir Ilona Gets A Phone from Dedalus is especially and unreservedly recommended for personal reading lists as well as community and college university Literary Fiction collections James A Cox in Midwest Book Review

Cold Crematorium József Debreczeni, 2024-01-23 One of the New York Times Book Review's 10 Best Books of 2024 A lost classic of Holocaust literature translated for the first time from journalist poet and survivor József Debreczeni As immediate a confrontation of the horrors of the camps as I've ever encountered It's also a subtle if startling meditation on what it is to attempt to confront those horrors with words Debreczeni has preserved a panoptic depiction of hell at once personal communal and atmospheric New York Times A treasure Debreczeni's memoir is a crucial contribution to Holocaust literature a book that enlarges our understanding of life in Auschwitz Wall Street Journal A literary diamond A Holocaust memoir worthy of Primo Levi The Times of London József Debreczeni a prolific Hungarian language journalist and poet arrived in Auschwitz in 1944 had he been selected to go left his life expectancy would have been approximately forty five minutes One of the lucky ones he was sent to the right which led to twelve horrifying months of incarceration and slave labor in a series of camps ending in the Cold Crematorium the so called hospital of the forced labor camp Dnha where prisoners too weak to work awaited execution But as Soviet and Allied troops closed in on the camps local Nazi commanders anxious about the possible consequences of outright murder decided to leave the remaining prisoners to die in droves rather than sending them directly to the gas chambers Debreczeni recorded his experiences in *Cold Crematorium* one of the harshest most merciless indictments of Nazism ever written This haunting memoir rendered in the precise and unsentimental style of an accomplished journalist is an eyewitness account of incomparable literary quality The subject matter is intrinsically tragic yet the author's evocative prose sometimes using irony sarcasm and even acerbic humor compels the reader to imagine human beings in circumstances impossible to comprehend intellectually First published in

Hungarian in 1950 it was never translated into a world language due to McCarthyism Cold War hostilities and antisemitism
More than 70 years later this masterpiece that was nearly lost to time will be available in 15 languages finally taking its
rightful place among the greatest works of Holocaust literature
