Andover Liberals A Study In American Theology

Christian Drosten

Andover Liberals A Study In American Theology:

The Andover Liberals. A Study in American Theology, Etc. [A Thesis.]. Daniel Day WILLIAMS, 1941 *The Andover Liberals* Daniel Day Williams, 1941 Presents the thoughts of the faculty at Andover Seminary where from 1880 to 1895 these men were developing a Christian theology **Charles Fletcher Dole, Liberal Theology, and Reform** Paul T. Burlin, 2023-09-05 Charles Fletcher Dole Liberal Theology and Reform A Life Well Lived is a historical look at the life and theology of Charles Fletcher Dole Dole was born into what he described as an ultra orthodox religious family He was unable to accept the severe quasi Calvinist theology of his relatives and when he attended Harvard College he was influenced by the intellectual currents set in motion by Darwinism He then tacked off to the radical wing of Unitarian theology It was incumbent on the faithful of any religious tradition to live in ways that helped further the divine plan This moral imperative prompted Dole as the long term minister in the Unitarian Church to advocate for reforms not unlike those of his parents and other relatives including temperance women s suffrage improved race relations anti imperialism and pacifism This historical recovery and interpretation of Dole argues that while Dole s radical theology was the source of his civic engagement his iteration of the social gospel was to some extent also shaped and delimited by the socio economic position he occupied

The Andover Liberals, a Study in American Theology. Daniel Day Williams. Submitted... for the Degree of Doctor of Philosophy in the Faculty of Philosophy, Columbia University Daniel Day Williams (pastor.), 1941

Fundamentalism and American Culture George M. Marsden, 2006-02-23 Many American s today are taking note of the surprisingly strong political force that is the religious right Controversial decisions by the government are met with hundreds of lobbyists millions of dollars of advertising spending and a powerful grassroots response How has the fundamentalist movement managed to resist the pressures of the scientific community and the draw of modern popular culture to hold on to their ultra conservative Christian views Understanding the movement s history is key to answering this question *Fundamentalism and American Culture* has long been considered a classic in religious history and to this day remains unsurpassed Now available in a new edition this highly regarded analysis takes us through the full history of the origin and direction of one of America s most influential religious movements For Marsden fundamentalists are not just religious conservatives they are conservatives who are willing to take a stand and to fight In Marsden s words borrowed by Jerry Falwell a fundamentalist is an evangelical who is angry about something In the late nineteenth century American Protestantism was gradually dividing between liberals who were accepting new scientific and higher critical views that contradicted the Bible and defenders of the more traditional evangelicalism By the 1920s a full fledged fundamentalist movement had developed in protest against theological changes in the churches and changing mores in the culture Building on networks of evangelists Bible conferences Bible institutes and missions agencies fundamentalists coalesced into a major protest movement that proved to have remarkable staying power For this new edition a major new chapter compares

fundamentalism since the 1970s to the fundamentalism of the 1920s looking particularly at the extraordinary growth in political emphasis and power of the more recent movement Never has it been more important to understand the history of fundamentalism in our rapidly polarizing nation Marsen s carefully researched and engrossing work remains the best way to do just that The Trinitarian Theology of Jonathan Edwards Steven M. Studebaker,Robert W. Caldwell Iii,2016-02-24 While Jonathan Edwards scholars have increasingly recognized the central role that the Trinity played in his thought no work brings together Edwards central texts on the Trinity and interprets and applies them to contemporary theological issues This book reveals how the doctrine of the Trinity transformed Edwards ministry and how the Trinity can inform current evangelical thought life and ministry Key primary texts interpretation and application of Edwards trinitarian theology are all presented here Part one features Edwards chief trinitarian writings and provides an in depth analysis on his doctrine Part two sets Edwards trinitarianism in historical context Part three demonstrates how Edwards employed the Trinity in his sermons in spiritual formation and in other areas of doctrine *New Perspectives on Old Princeton, 1812-1929* Kevin DeYoung,Paul Kjoss Helseth,David P. Smith,2024-12-03 This book focuses on Princeton Theological Seminary and the theologians who taught there from the time of its founding in 1812 to the time of its reorganisation in 1929 It confronts the standard assessment of Old Princeton in the historiography of North American evangelicalism and sets out why a new paradigm is needed The volume critically engages with the Ahlstrom thesis and other more recent scholarship concerning Old Princeton s relationship to the Scottish intellectual tradition The contributions seek to move beyond Old Princeton s alleged indebtedness to Enlightenment thought and advance a more constructive reading of the Old Princetonians their theology and their place in the American evangelical experience The book offers a fresh and more accurate assessment of the theological and philosophical assumptions that held sway at Old Princeton and through the seminary to the American continent and beyond It will appeal to scholars interested in theology religious history and intellectual history Theology in America Sydney E. Ahlstrom,2003-01-01 Covering nearly 300 years of American religious writing this anthology compiles selections from thirteen notable thinkers including Thomas Hooker Jonathan Edwards Charles Hodge Ralph Waldo Emerson Josiah Royce William James and H Richard Niebuhr to reveal the vital and creative history of Protestant theology in America In his substantial Introduction Sydney Ahlstrom relates the history of American theology in broad and accessible terms tackling his subject with characteristic clarity passion and intellectual rectitude **Science and Religion in America, 1800-1860** Herbert Hovenkamp,2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **The Post-Darwinian Controversies** James R. Moore,1981-10-30 The Post Darwinian Controversies offers an original interpretation of Protestant responses to Darwin after

1870 viewing them in a transatlantic perspective and as a constitutive part of the history of post Darwinian evolutionary thought The impact of evolutionary theory on the religious consciousness of the nineteenth century has commonly been seen in terms of a conflict or warfare between science and theology Dr Moore s account begins by discussing the polemical origins and baneful effects of the military metaphor and this leads to a revised view of the controversies based on an analysis of the underlying intellectual struggle to come to terms with Darwin The middle section of the book distinguishes the Darwinism of Darwin himself amid the main currents of post Darwinian evolutionary thought and is followed by chapters which examine the responses to Darwin of twenty eight Christian controversialists tracing the philosophical and theological lineage of their views The paradox that emerges that Darwin s theory was accepted in substance only by those whose theology was distinctly orthodox theology and of other evolutionary theories with liberal and romantic theological speculation

Fuel your quest for knowledge with Learn from is thought-provoking masterpiece, **Andover Liberals A Study In American Theology** . This educational ebook, conveniently sized in PDF (PDF Size: *), is a gateway to personal growth and intellectual stimulation.
