## **Android Programming Unleashed:**

Android Programming Unleashed B.M. Harwani, 2012-12-14 Android Programming Unleashed is the most comprehensive and technically sophisticated guide to best practice Android development with today's powerful new versions of Android 4.1 Jelly Bean and 4.0.3 Ice Cream Sandwich. Offering the exceptional breadth and depth developers have come to expect from the Unleashed series, it covers everything programmers need to know to develop robust high performance Android apps that deliver a superior user experience. Leading developer trainer Bintu Harwani begins with basic UI controls, then progresses to more advanced topics, finally covering how to develop feature-rich Android applications that can access Internet-based services and store data. He illuminates each important SDK component through complete self-contained code examples that show developers the most effective ways to build production-ready code. Coverage includes understanding the modern Android platform from the developer's standpoint using widgets, containers, resources, selection widgets, dialogs, and fragments, supporting actions and persistence, incorporating menus, ActionBars, content providers, and databases, integrating media and animations, using web map and other services, supporting communication via messaging, contacts, and emails, publishing Android apps, and much more.

**HTML5 Unleashed** Simon Sarris, 2014 HTML5 Unleashed is the authoritative guide that covers the key web components driving the future of the Web. Students will learn to harness the power of HTML5 to create web apps and solutions that deliver state-of-the-art media content and interactivity with new Audio, Video, and Canvas elements. Comprehensive and up-to-date, HTML5 Unleashed is organized as an accessible guide of tutorials and practical references. Because HTML5 covers a far-reaching set of standards, each chapter in HTML5 Unleashed is written to stand on its own. Whether you choose to skip around or teach it cover-to-cover, full-color syntax and figures in HTML5 Unleashed ensure that students do not need to be next to a computer to learn the most important concepts of the modern Web.
