I've never really believed in the idea of soulmates, but if I had, I suppose I might've seen it through the pink lenses of the romance movies that I enjoy more than I would like to admit. But movies aren't reality, and my luck has only ever been of one type: rotten. It stands to reason that my supposed love story and whirlwind soulmate romance turns out to be anything but rosy. It takes one single wrong decision, one night of reluctant clubbing for my life to turn to hell. Suddenly, I'm surrounded by shape-shifting assassins, vampires who say they want to devour me, and immortal princes who claim they can't feel. For some reason, more than one of them seems to think that I'm their soulmate, and that because of that, they need to die. To protect me from some awful ancient curse, apparently, as if I'd ever ask for my life to be kept safe at the cost of their own. It's up to me to change their minds, because nobody else seems to have any sense whatsoever. Between having to wrangle suicidal soulmates, the mysterious voice that has suddenly popped up in my head, and a strange power I hadn't even been aware I had, my hands are more than a little full. FML.
