part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The greatest part of ZECHARIAH was written according to Lowth in prose but he adds that some parts about the end of his Prophecy Zechariah 9 10 and the beginning of 11 are poetical and highly embellished and that they are sufficiently perspicuous though written by a Prophet who of all is perhaps the most obscure The last of the Old Testament Prophets as admitted by all was MALACHI Who and what he was we are left without any knowledge Some have supposed him to have been EZRA under another name or under the name of his office as MALACHI means a messenger But most think that he lived near a century after HAGGAI and ZECHARIAH **Music in**
