Doing Theology Mark D. Chapman,2012 Anglican Theology Mark Chapman,2012-02-02 This book seeks to explain the ways in which Anglicans have sought to practise theology in their various contexts It is a clear insightful and reliable guide which avoids technical jargon and roots its discussions in concrete examples The book is primarily a work of historical theology which engages deeply with key texts and writers from across the tradition e g Cranmer Jewel Hooker Taylor Butler Simeon Pusey Huntington Temple Ramsey and many others As well as being suitable for seminary courses it will be of particular interest to study groups in parishes and churches as well as to individuals who seek to gain a deeper insight into the traditions of Anglicanism While it adopts a broad and unpartisan approach it will also be provocative and lively

Twentieth Century Anglican Theologians Stephen Burns, Bryan Cones, James Tengatenga, 2020-11-24 A scholarly volume that reflects the rich diversity of Anglican theology With contributions from an international panel of writers Twentieth Century Anglican Theologians offers a wide ranging view that presents a survey of over twenty diverse Anglican thinkers The book explores well known figures including William Temple Austin Farrer Donald MacKinnon and John A T Robinson These theologians are set in a wider context alongside others from India China Australia Ghana and elsewhere Notably the subjects include a number of women from Evelyn Underhill the first woman to teach the clergy of the Church of England to Esther Mombo a major contemporary Anglican figure from Kenya The book reflects the rich diversity of Anglicanism suggesting the ongoing vitality of this religious tradition This important book Contains information on a number of prominent women Anglican thinkers Includes contributions from experts from around the world Presents material on both familiar figures and others that are unjustly little known Written for students and teachers of Anglicanism Anglican clergy and ecumenical colleagues Twentieth Century Anglican Theologians is the first book to reflect the diversity of the Anglican tradition by Anglican Theology Stephen Burns, 2024-06-30 It is now widely considering its global theological representatives acknowledged that Anglicanism far from being centred on western contexts is a worldwide phenomenon with some of its liveliest corners located in the global south Yet the Anglican theology which is taught in institutions is still focused overwhelmingly on a handful of British and North American voices By exploring the work of eighteen tricontinential and marginalized Anglican theologians this book begins to correct widespread bias in Anglican theology towards Britain and North Atlantic contexts The chapters it gathers consider the methods concerns and contributions to Anglican thinkers from Africa Asia Pasifika South America and eastern European settings amongst minoritized migrants to North Atlantic countries Chapters include Esther Mombo on Jenny Te Paa Daniel Michael Jagessar on Mukti Barton and Keun Joo Christine Pae on Kwok Pui lan The Shape of Anglican Theology Scott MacDougall, 2022-05-16 There are numerous books that offer an historical account of Anglican theology or that detail the lives and work of particular Anglican theologians Books that focus on the nature and character of Anglican theology itself however are hard to find This volume fills that gap In The Shape of

Anglican Theology Scott MacDougall examines what it is that makes Anglican theology Anglican Beginning with a treatment of the ways in which Anglican theology is and is not distinct from other types of Christian theology he describes the theological features that mark the general boundaries of Anglican theologizing before turning to consider a set of eight interconnected characteristics that provide Anglican theology with its distinctive profile MacDougall argues that by setting its boundaries as widely as possible and requiring subscription to specific theological propositions as little as possible Anglican theology is in essence a wisdom theology that seeks to build the capacity for faithful Christian discernment in belief **Dancing with God** Jay Emerson Johnson, 2005 Johnson uses the metaphor of dance to help readers especially those without a theological background approach the discipline of theology as something everyone does and not only something to believe The Heritage of Anglican Theology J. I. Packer, 2021-05-20 Historical and Theological Reflections on the Anglican Church from J I Packer The Anglican Church has a rich theological heritage filled with a diversity of views and practices Like a river with a main current and several offshoot streams Anglicanism has a main body with many distinct smaller communities So what constitutes mainstream Anglicanism Influential Anglican theologian J I Packer makes the case that authentic Anglicanism is biblical liturgical evangelical pastoral episcopal ordaining bishops national engaging with the culture and ecumenical eager to learn from other Christians As he surveys the history and tensions within the Anglican Church Packer casts a vision for the future that is grounded in the Scriptures fueled by missions guided by historical creeds and practices and resolved to enrich its people **Doing Theology in Today's World** John D. Woodbridge, 1994-07 This volume focuses on a central question What does a person need to know for developing a theology In other words this book will not only answer objections lodged against the study of theology but will explain to students pastors and laypersons alike what a theologian actually does It will also present different approaches to the study of theology and review the present status of theological reflection in various Protestant Orthodox and Roman Catholic traditions In the first section of the book evangelical Protestant scholars describe the contributions various disciplines make to the study of theology In the next section evangelical Protestant scholars explain the distinctives of their approaches to doing theology In the third part theologians who do not identify with evangelical Protestant convictions seek to explain the distinctives of their approaches to doing theology In the final section Dr Kantzer provides a summary analysis of how he does theology and interacts critically with a number of essays in this volume **Biblical Studies, Theology, Religion and Philosophy** N. Amanze, 2012-06-28 This book introduces the study of Biblical studies theology religion and philosophy from an African perspective The book comprises twenty six chapters divided into four sections The first section deals with Biblical studies the second with theology the third with religion and the fourth with philosophy The contributions are from 20 eminent scholars from African and Caribbean universities Anglicanism Gerald Bray, 2021-03-03 What is Anglicanism There are many associations that come to mind Whether it is the buildings the unique history the prayers or church government often we

emphasize one aspect against others Is the Anglican church a Protestant church with distinctive characteristics or a Catholic Church no longer in communion with Rome In Anglicanism A Reformed Catholic Tradition Gerald Bray argues that some theological trajectories are more faithful than others to the nature and history of the Church of England Readers looking to understand the diversity nature and future of Anglicanism will be helped by Bray's historical examination
