Introduction to E-discovery Ralph C. Losey, 2009 No one can operate effectively in the court rooms of tomorrow without a good understanding of wheres hows and whys of digital evidence As a cover to cover read to learn more about the hot topics and latest case law in e discovery this book can provide that understanding After a read through this book can be used again and again as a reference with its appendix of useful reference materials to look up cases and arguments to use in daily practice It s written in an easy to read style making it perfect for anyone interested in e discovery Book jacket

E-discovery and Data Privacy Catrien W. Noorda, Stefan Hanloser, 2011-01-01 This book deals with the dilemma faced by multinational corporations when a United States court demands discovery of ESI that is protected in other countries In fine detail the authors cover the full spectrum of possible responses from evaluating the comparative costs of legal sanctions in a variety of major global jurisdictions to recognizing when to avoid litigation entirely The tone throughout is eminently practical specifying the precise nature and degree of risk involved and offering optimal solutions to all the conflicts likely to arise On the theoretical side the rationales of both the US e discovery model and data privacy laws focusing on the European data protection directive are clearly explained P 4 of cover Powerful Technology for the New Legal Information Age Jonathan Van Ee, 2010-09-10 The technology approach outlined in this book is the best because it is based on battle hardened proven results It s that simple My super busy life has driven me to find these proven strategies for efficiently practicing law Clients need cost effective results immediately Opposing parties assert unreasonable demands I have found technology is a powerful tool to control those pressures After handling well over 100 lawsuits in Silicon Valley and a number of transactional matters over the last decade I have distilled my findings into this book This book is also the product of the suggestions of the many tech savvy friends I ve been privileged to have Northwestern Journal of Technology & Intellectual Property, Vol. 9, No. 3 Hazlett Et Al., 2011 **Web Technologies: Concepts, Methodologies, Tools, and Applications** Tatnall,
