The Three-Petalled Rose Ronald W. Pies, 2013-01-29 This is a book for anyone who wants to live the good life but who has not yet found a clear path to that goal By examining the common threads that unite three great spiritual traditions Judaism Buddhism and Stoicism the author provides a framework for achieving a fulfilled and ethically responsible life The author helps the reader take the spiritual nutrients from these three ancient traditions and transform them into a life of beauty order and purpose No scholarly expertise or special knowledge of religion is required to understand this book nor need the reader believe in a supreme being or owe allegiance to a particular religion All that's needed is an open mind and a sincere desire to create an awakened and flourishing life Fury Koren Zailckas, 2010-09-07 Read Koren Zailckas's blogs and other content on the Penguin Community The author of the iconic New York Times bestseller Smashed undertakes a quest to confront her own anger In the years following the publication of her landmark memoir Smashed Story of a Drunken Girlhood Koren Zailckas stays sober and relegates binge drinking to her past But a psychological legacy of repression lingers her sobriety is a loose surface layer atop a hard packed unacknowledged rage that wreaks havoc on Koren emotionally and professionally When a failed relationship leads Koren back to her childhood home she sinks into emotional crisis writer's block depression anxiety Only when she begins to apply her research on a book about anger to the turmoil of her own life does she learn what denial has cost her The result is a blisteringly honest chronicle of the consequences of anger displaced and the balm of anger discovered Readers who recognized themselves or someone they love in the pages of Smashed will identify with Koren's life altering exploration and the necessity of exposing anger's origins in order to flourish in love and life as an adult Combining sophisticated sociological research with a dramatic and deeply personal story that grapples boldly with identity and family Fury is a dazzling work by a young writer at the height of her powers that is certain to touch a cultural nerve Watch a Video **Teaching with Compassion** Peter Kaufman, Janine Schipper, 2018-07-16 In a world where students are often seen as test scores and not as human beings where their well being is challenged by poverty intolerance
