How Animals Have Sex David Storm, 2006 **The Animal Mating Game** Ann Downer, 2016-08-01 Birds do it bees do it penguins do it and orangutans do it By having sex and giving birth to offspring animals ensure that their species will survive into the next generation And in this quest for survival animals go to great lengths Some animal mating techniques may strike you as strange or gross but to the animals themselves these practices are essential Animals with the best strategies for choosing mates and making babies ensure that their species live on Without animal sex there would be no animal life **How the Animals Do it**, 2000 *Females of the Species* Bettyann Kevles, 1986 Not for Humans Only Mel Saunders, 1978-07 **Landscape with Animals** Cameron S. Redfern, 2011-05-24 A woman meets a man at a party She has heard his name often but their paths have never crossed By the end of the night his image will be cut in her Emotionally charged and exquisitely written Landscape with Animals is a hypnotic tale of love written under a pseudonym **Animal Attraction 2** Vincent Diamond, 2009-03-01 Talented authors Kiernan Kelly Aaron Michaels Jane Davitt CB Potts Julia Talbot and Sean Michael go all out to prove that animals can bring people together and that love can turn up in unexpected places and in unusual ways *Awakened Animals* Jaden Sinclair, 2017-11-13 Cousins Close as brothers both with a past they must deal with in order to embrace the future Stray has been held as a sex slave for years His one and only thought night after night in his cage has been Vesper his mate Now with her in his arms finally he thinks all will be well until his cousin gets a call that will change both of their lives Mika thought he had found his mate but he was wrong After her death he ran from it all but he could only run for so long Back in a place he had called home he comes to terms with the fact that the one he thought he wanted wasn't meant to be He also has to deal with one family member who clearly doesn't want him there As one bonds with his mate the other struggles with his past as well as what is right in front of him Mika refuses to see that he made a mistake and the pull he thought he felt toward one is really meant for another When Mother Nature takes it all out of his hands Mika must come to terms with what has been unleashed **Animal** Jenika Snow, 2017-09-05 Being bad never felt so good RYE I'd been called bad dangerous a criminal And I didn't deny it Everyone knew it especially the one woman I wanted but couldn't have I should've stayed away should've left her alone Jessa was the daughter of my business partner too young for me too innocent But I wanted her in the worst of ways and no amount of self control could keep me from her I wanted to claim every part of her make her know what it was like to have a real man between her thighs And I'd have her JESSA He was older than me dangerous masculine in the best of ways I saw how he watched me the looks he gave me when he thought I wasn't paying attention Rye wanted me even if he'd never do anything about it I was just the virgin daughter of his business partner not someone he'd ever get involved with But that didn't stop me from lusting after him from picturing his big body over mine his hands touching me until I cried out for more But I was tired of waiting I would make the first move and damn the consequences Warning The hero of this story might seem like the bad guy but no fears because it's a safe read
