Summary of Terry Eagleton's Culture and the Death of God Everest Media,2022-06-04T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The modern age is characterized by a decline in religious faith which is not necessarily accompanied by a decline in church attendance or Roman Catholics being childless It is when religion begins to interfere with your everyday life that it is time to give it up 2 The privatisation of the symbolic sphere is a strictly relative matter In modern times one of the most blatant refutations of the claim that religion has disappeared from public life is the United States 3 The eighteenth century Enlightenment in France Germany and elsewhere in continental Europe was a continuation of the fierce sectarian conflicts that had torn the continent apart in the previous centuries It was preoccupied with religion and its chief preoccupation was the war against ecclesiastical authority theological views and religion as an instrument of social and political oppression 4 The Enlightenment was not anti religious but it was not especially religious either It was a movement that sought to replace a benighted version of religious faith with one that might grace coffee house conversation in the Strand *Summary of Jessica Mitford's The American Way of Death Revisited* Everest Media,2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The funeral industry is a sales industry and the funeral directors are the salesmen They long to be liked and understood and

they want to be worthy of high regard They are preying on the grief remorse and guilt of survivors or they are trained professionals with high ethical standards 2 The funeral industry is suffering from a lack of image and identity To solve this Dakota Tom recommends that funeral directors and suppliers produce fifteen to thirty second commercials which affirms the personality of the industry 3 The American Way of Death was a best seller and funeral service went on a diet from which it never recovered Enoch Glascock who had worked in mortuary school explained that funeral homes should do something positive about themselves 4 There are many ways to gain name recognition and patronage One method is to give turkeys at Thanksgiving and Christmas to deserving families which allows everyone to participate

Summary of Kit Yates's The Math of Life and Death Swift Reads,2020-12-20 Buy now to get the insights from Kit Yates s The Math of Life and Death Sample Insights 1 Pyramid schemes rely on investors recruiting multiple people to make money for everyone who enrolls in them For a pyramid scheme to pay all its members it would have to keep recruiting people indefinitely 2 Pyramid schemes inevitably collapse because eventually there will be no people left to recruit The number of new investors needed at each level increases in proportion to the number of people in the scheme This rapid growth phenomenon is known as exponential growth

Quicklet on Arthur Miller's Death of a Salesman (CliffNotes-like Book Summary and Analysis) Steven John,2012-07-30

ABOUT THE BOOK A diamond is hard and rough to the touch Ben Loman Death of a Salesman Why is Arthur Miller's Death of a Salesman still relevant today Perhaps this simple question begs the question IS it still relevant To any who ask this the simple answer is an admonition to read the play Or see it staged Or watch any of the myriad cinematic adaptations Dustin Hoffman's portrayal of Willy Loman is arguably a gold standard performance There are many fine renditions of the role but the best is surely the one conjured in a careful reader's mind Before we delve too deeply into the lasting meaning of this play and the still poignant struggles of its characters let us discuss something held so directly before our faces that we may well look through it and never recognize its paramount importance the play's name Arthur Miller titled his play his first real success not simply Death of a Salesman but added the sub title Certain private conversations in two acts and a requiem Indeed death hangs heavy here The title makes it clear and the word requiem makes it tangible But let us look briefly at the title in surgical detail Why not The Death of a Salesman Or why not Death of THE salesman These simple words these direct object identifiers would change Willy Loman from the everyman to the man The genius of Arthur Miller is that Loman manages to be both an everyman and a real person a character we believe existed with all his faults his ticks his occasional smiles and his undeniable unbearable descent This is the story of one man and his family as his life circles the drain the lives of all those who touch his an ever smaller circle of people following not far behind It is a story of neurosis and denial of failure and suffering and of a falsified gilded past in which the broken characters try to find happiness and solace Well that sounds rather bleak So why is this such a resonant potent and beloved play Perhaps because it tells a story we all know and tells it so well Perhaps it is because as we watch the ever descending arc that is the lives of Willy Linda Biff and Happy Loman we are made to whisper under our breath Yes and there but for the grace of god go I Or maybe it is simply because Arthur Miller was such a fine playwright that he could likely have made a three act about pipe fitting enthralling to all We shall see as we head deeper into the meat of the play farther down into the minds and psychoses of the players But first who wrought this jewel And I looked at the pen and I thought what the hell am I grabbing this for EXCERPT FROM THE BOOK The curtain opens on a small house several of its walls removed so we can see inside it The lights gradually change to reveal that the house once quaint and on a lovely spread of land is now falling apart and is surrounded by tall drab apartment buildings The home's decline mimics that of the head of household Willy Loman a man in his 60s and very very tired Loman enters late at night carrying his heavy valises the tools of the trade of a salesman in the 1940s and shuffling his tired feet He is greeted by his wife Linda a kind patient but sad woman The couple talk at length and Willy reveals that he could not complete his trip intended to take him from their home in New York up to Boston and has sold nothing that day He could not complete the trip because his tired mind kept wandering into memories of the past and he found the car drifting about the road following his meandering thoughts Loman even thinks he was driving a car the family has not owned for years He is a man whose best years are past whose very mind is fading buy the book to continue reading **Medical Summary**, 1913
