Oaks,Paul Baltes,Kent Minson,2023-03-01 Perspectives on Latter day Saint Names and Naming approaches cultural historical and doctrinal dimensions of The Church of Jesus Christ of Latter day Saints through a fresh lens that explores how these dimensions intersect with names and naming Featuring a collection of chapters from multiple authors its bipartite structure examines fascinating topics in relation to the Church looking first at cultural and historical perspectives before analyzing doctrinal and scriptural perspectives The book discusses such matters as how contemporary naming practices of Latter day Saints compare to those outside the faith how code names were used in one of the faith s books of scripture to protect Church leaders from persecution and how names and naming relate to the covenant identity of Church members Through its fresh approach to understanding religious identity and belief in relation to The Church of Jesus Christ of Latter day Saints this book is an invaluable resource for scholars and students of Mormon studies and will also be of interest to people with a fascination with names and naming issues as those occur in a variety of settings including religious ones *Land of Women* Lisa M. Bitel,1998 This book disperses the shadows in an obscure but important landscape Lisa Bitel addresses both the history of women in early Ireland and the history of myth legend and superstition which surrounded them It is a powerful and exact book and an invaluable addition to our expanding sense of Ireland through the eyes of Irish women Eavan Boland author of In a Time of Violence Poems It is refreshing to read in a book by a woman on medieval women that not all clerics hated women and that not all men were oversexed villains

consciously bent on exploiting women Bitel challenges not only the medieval Irish male construct of female behavior but she is also courageous enough to question constructs of medieval women invented by modern Irish medieval historians Times Higher Education Supplement **Index to Short Biographies: for Elementary and Junior High Grades** ,1971 Alter Girl Andrea Syverson,2017-09-05 Join one woman on a spiritual journey in around and through the church on her way to a deeper connection to Jesus Andrea Syverson was raised Catholic As in really Catholic from plaid jumpers to early morning Mass to meatless Fridays And then she did the unthinkable She fell in love with a non Catholic man whose questions about her faith she simply couldn't answer What's a good Catholic girl to do Frequently whimsical often profound always honest Andrea shares her spiritual journey one that feels familiar to anyone seeking Jesus It's a jumbled jaunt from religion to relationship from going to church to being the church Whether you love church or are done with it or you're simply seeking a more authentic relationship with Jesus Andrea has something to say to you You'll enjoy A compelling story of Jesus relentless pursuit of those who desire to know him An upbeat honest glimpse at how church does or doesn't welcome those who come seeking answers Reflective devotions and journaling space at the end that draw you deeper toward your heart of faith Inspiration that you too can find your way to a deeper more transforming relationship with Jesus **The School Bulletin and New York State Educational Journal** ,1913
