#### **Conversations with Madeleine L'Engle** Jackie C.

Horne,2018-12-03 *Conversations with Madeleine L Engle* is the first collection of interviews with the beloved children's book author best known for her 1962 Newbery Award winning novel *A Wrinkle in Time* However Madeleine L Engle's accomplishments as a writer spread far beyond children's literature Beginning her career as a literary novelist for adults L Engle 1918-2007 continued to write fiction for both young and old long after *A Wrinkle in Time* In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children's books and the larger Christian community L Engle's books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children's author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways

*The Encyclopedia of Christian Literature* George Thomas Kurian,James D. Smith III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st

Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy. Covering 2 000 years, *The Encyclopedia of Christian Literature* is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies, an index, a timeline of Christian Literature and a list of the greatest Christian authors. The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles.

**The Barnes & Noble Guide to Children's Books** John Freeman, 2001-11-14 Highlights baby books, preschool and picture books, poetry and anthologies, early readers, fiction, special needs, award winners and titles appropriate for toddlers. A section on how to use the internet to look for children's books is also included.

**Toward 2012** Daniel Pinchbeck, Ken Jordan, 2008-12-26 An informed, challenging and engaging collection of essays on the new choices in lifestyles and community as we begin the countdown toward the year 2012. This fresh and thought provoking anthology draws together some of today's most celebrated visionaries, thinkers and pioneers in the field of evolving consciousness, exploring topics from shamanism to urban homesteading, the legacy of Carlos Castaneda to Mayan predictions for the year 2012 and new paths in direct political action and human sexuality. *Toward 2012* highlights some of the most challenging, intelligent pieces published on the acclaimed website Reality Sandwich. It is coedited by Daniel Pinchbeck, the preeminent voice on 2012, and online pioneer Ken Jordan, and features original works from Stanislov Grof, John Major Jenkins and Paul D Miller. DJ Spooky interviews with Abbie Hoffman and artist Alex Grey and a new introduction by Pinchbeck. Here are ideas that trace the arc of our evolution in consciousness, lifestyles and communities as we draw closer to a moment in time that portends ways of living that are different from anything we have expected or experienced.

**The 2012 Collection** Daniel Pinchbeck, 2012-02-21 Now in the years beyond 2012, discover the true meaning behind the hype that captivated the world. It should be no surprise to us now, but the pomp surrounding the coming of the year 2012 that grasped the human race's attention in those preceding years was not at all about the end of the world. Instead, much to the contrary, Daniel Pinchbeck believes that the passing of the year 2012 marked the beginning of a global shift in consciousness where the human race would begin to see the world and existence on this planet through a different lens, embracing fresh ideas about who we are and what it means to be human. Discover the true wisdom behind the 2012 phenomenon with these two captivating works by one of the leading minds in the movement, both in one place for the first time and at one low price. *2012: The Return of Quetzalcoatl* by Cross James Merrill, H.P. Lovecraft and Carlos Castaneda, each imbued with a twenty-first century aptitude for quantum theory and existential psychology, and you get the voice of Daniel Pinchbeck. And yet, nothing quite prepares us for the lucidity, rationale and informed audacity of this

seeker skeptic and cartographer of hidden realms Throughout the 1990s Pinchbeck had been a member of New York's literary select He wrote for publications such as The New York Times Magazine Esquire and Harper's Bazaar His first book Breaking Open the Head was heralded as the most significant on psychedelic experimentation since the work of Terence McKenna But slowly something happened Rather than writing from a journalistic remove Pinchbeck his literary powers at their peak began to participate in the shamanic and metaphysical belief systems he was encountering As his psyche and body opened to new experience disparate threads and occurrences made sense like never before Humanity every sign pointed is precariously balanced between greater self potential and environmental disaster The Mayan calendar's end date of 2012 seems to define our present age It heralds the end of one way of existence and the return of another in which the serpent god Quetzalcoatl reigns anew bringing with him an unimaginably ancient yet to us wholly new way of living A result not just of study but also of participation 2012 tells the tale of a single man in whose trials we ultimately recognize our own hopes and anxieties about modern life Toward 2012 Perspectives on the Next Age An informed challenging and engaging collection of essays on the new choices in lifestyles and community as we begin the countdown toward the year 2012 This fresh and thought provoking anthology draws together some of today's most celebrated visionaries thinkers and pioneers in the field of evolving consciousness exploring topics from shamanism to urban homesteading the legacy of Carlos Castaneda to Mayan predictions for the year 2012 and new paths in direct political action and human sexuality Toward 2012 highlights some of the most challenging intelligent pieces published on the acclaimed website Reality Sandwich It is coedited by Daniel Pinchbeck the preeminent voice on 2012 and online pioneer Ken Jordan and features original works from Stanislov Grof John Major Jenkins and Paul D Miller DJ Spooky interviews with Abbie Hoffman and artist Alex Grey and a new introduction by Pinchbeck Here are ideas that trace the arc of our evolution in consciousness lifestyles and communities as we draw closer to a moment in time that portends ways of living that are different from anything we have expected or experienced
