Assassin J. Bowyer Bell,2017-09-29 Assassination as a political act has a long history predating the murder of Julius Caesar and continuing into our own time The murder of the mighty has long fascinated artists and rebels but only rarely has it been studied in a scholarly manner In Assassin J Bowyer Bell combines existing historical evidence with years of personal interviews with terrorists in Africa the Middle East and Europe The result is an incisive study of that enigmatic figure the revolutionary killer As Bell makes clear the motives of the actors and effectiveness of assassination vary widely across time and place Assassination in many parts of the world has not only been a normal political act rational explicable but also often effective in some cases taking fewer lives in the transfer of power than an election Likewise there have been all kinds of assassins personal psychopathic professional ranging from lonely failures trying to make their mark to authorized agents of the state Using the assassination of Henry IV of France as a historical backdrop Bell writes about contemporary political murder from the perspective of one who has studied the subject of political violence for decades Bell has met with or known well the perpetrators conspirators and intended victims of assassination who have escaped His interviewees include a radical Irish revolutionary leader an American Arabist diplomat a spokesman for the PLO and the president of a Mozambique liberation movement The itinerary of his investigative journeys covers most of the flashpoints of contemporary political violence The people and places studied here at firsthand are engaged in a deadly game The attrition rate is often high the power fleeting and the consequences often unforeseen If past is prologue assassination is to be with us for years to come The

volume will be essential reading for those engaged in the prevention of political violence and terror as well as historians and political scientists **Terrorism in Perspective** Sue Mahan, Pamala L. Griset, 2008 Introduction What is terrorism History of terrorism International terrorism Terrorist tactics around the globe Homegrown terrorism in the United States Media coverage of terrorism Women terrorists Technology and terrorism Counterterrorism **The Book of Assassins** George Fetherling, 2011-11-16 The compelling tragic and often bizarre life stories of history's famous and infamous assassins now collected in one comprehensive easy to use volume The names are well known but how much do you know about the inner lives of John Hinckley Jr who shot Ronald Reagan in a misguided attempt to impress actress Jodie Foster or Mark David Chapman who after shooting John Lennon sat down on the sidewalk to continue reading *The Catcher in the Rye* And what about the world's not so famous assassins Find out what happened when Carlito Dimahilig attacked Imelda Marcos with a bolo knife and how one of her many famous pairs of shoes came into play or why Max H del could be considered one of the least successful assassins in history With breadth of study and a keen eye for detail George Fetherling has compiled a fascinating and very readable compendium the first of its kind of more than 200 biographies of assassins from all periods and countries for the scholar and general reader alike Fetherling also provides an overview of the history of assassination outlines the five psychological types of assassins and gives a run down of the most useful literature in the field Ideal for students historians history buffs psychologists and readers interested in biography and true crime this book is a must have window into the lives of those who have drastically shaped the history of our world **The Templars and the Assassins** James Wasserman, 2001-04-01 An examination of the interactions of the Christian Knights Templar and their Muslim counterparts the Assassins and of the profound changes in Western society that resulted Restores the reputation of the secret Muslim order of the Assassins disparaged as the world's first terrorist group Dispels many myths about the Knights Templar and provides the most incisive portrait of them to date A thousand years ago Christian battled Muslim for possession of a strip of land upon which both their religions were founded These Crusades changed the course of Western history but less known is the fact that they also were the meeting ground for two legendary secret societies The Knights Templar and their Muslim counterparts the Assassins In *The Templars and the Assassins* The Militia of Heaven occult scholar and secret society member James Wasserman provides compelling evidence that the interaction of the Knights Templar and the Assassins in the Holy Land transformed the Templars from the Pope's private army into a true occult society from which they would sow the seeds of the Renaissance and the Western Mystery Tradition Both orders were destroyed as heretical some seven hundred years ago but Templar survivors are believed to have carried the secret teachings of the East into an occult underground from which sprang both Rosicrucianism and Masonry Assassin survivors known as Nizari Ismailis flourish to this day under the spiritual leadership of the Aga Khan Wasserman strips the myths from both groups and penetrates to the heart of their enlightened beliefs and rigorous practices delivering the most probing picture yet of these holy warriors

Impostor Assassin Warren Brown,2018-02-23 A novel about a man willing to risk his life to save the world Independent publishing is facing a new enemy This new threat to authors agents and publishers is everywhere The mega corporation SWAMP has taken over the world and it is now taking over lives A legion of assassins are on the hunt for the one person who can stop them a hero with a vision to save writing and publishing in the world Killing the Enemy Adam Leong Kok Wey,2015-09-28 During World War II the British formed a secret division the SOE or Special Operations Executive in order to support resistance organisations in occupied Europe It also engaged in targeted killing the assassination of enemy political and military leaders The unit is famous for equipping its agents with tools for use behind enemy lines such as folding motorbikes miniature submarines and suicide pills disguised as coat buttons But its activities are now also gaining attention as a forerunner to today s extra legal killings of wartime enemies in foreign territory for example through the use of unmanned drones Adam Leong s work evaluates the effectiveness of political assassination in wartime using four examples Heydrich s assassination in Prague Operation Anthropoid the daring kidnap of Major General Kreipe in Crete by Patrick Leigh Fermor the failed attempt to assassinate Rommel known as Operation Flipper and the American assassination of General Yamamoto **The Leper King and His Heirs** Bernard Hamilton,2005-07-07 The reign of King Baldwin IV of Jerusalem 1174 85 has traditionally been seen as a period of decline when because of the king s illness power came to be held by unsuitable men who made the wrong policy decisions Notably they ignored the advice of Raymond of Tripoli and attacked Saladin who was prepared to keep peace with the Franks while uniting the Islamic near east under his rule This book challenges that view arguing that peace with Saladin was not a viable option for the Franks that the young king despite suffering from lepromatous leprosy the most deadly form of the disease was an excellent battle leader who strove with some success to frustrate Saladin s imperial ambitions that Baldwin had to remain king in order to hold factions in check but that the society over which he presided was contrary to what is often said vigorous and self confident Artful Assassins Fernando Fabio Sanchez,2010-11-29 The grim role of violence in shaping modern Mexican identity

The Top Books of the Year Assassins And Victims The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Assassins And Victims : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Assassins And Victims : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
