Assessment of Student Achievement C. Keith Waugh, Norman E. Gronlund, 2012-05-18 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book. Balanced, concise, and practical, Waugh and Gronlund's *Assessment of Student Achievement* Tenth Edition presents an exceptionally strong set of strategies to help teachers assess all learners in today's schools. Written in a simple and direct manner and using frequent examples and illustrations to clarify important points, the text is a balanced, concise, and practical guide for testing and performance assessment. The authors' approach emphasizes testing as well as performance evaluation, each used when it is most appropriate as integral steps that improve student learning and ultimately build student success. This highly regarded textbook, replete with thorough updates in the new tenth edition, prepares educators use assessment as a tool to help develop all students in their classrooms. A great portion of the textbook is devoted to preparing and using classroom tests and performance assessments, assigning grades, and interpreting standardized test scores to individual students and parents.
