Emotionally Intelligent School Counseling John Pellitteri, Robin Stern, Claudia Shelton, Barbara Muller-Ackerman, 2006-04-21 The concept of emotional intelligence EI which has steadily gained acceptance in psychology seems particularly well suited to the work of school counselors and school psychologists who must constantly deal with troubled and underperforming students To date however no book has systematically explained the theoretical and scientific foundations of emotional intelligence and integrated this information into the roles and functions of school counselors and other school personnel In addition to illustrating how social emotional learning is important to both individual students and to school climate the book also shows school counselors how to expand their own emotional awareness and resiliency Key features of this outstanding new book include ASCA Guidelines The book integrates the latest findings from the field of social emotional learning with the new ASCA guidelines for school counselors Real life Cases The book moves quickly from an overview of basic definitions theories and guidelines to stories of real counselors administrators teachers and parents Author Expertise John Pellitteri is Professor and Director of the Graduate Program in School Counseling Queens College CUNY A former school counselor he is a leading researcher in the area of emotional intelligence Barbara Ackerman is a K 5 school counselor and retiring Vice President of the American School Counseling Association ASCA Elementary School Division Claudia Shelton has been a school counselor

in grades 6-12 and currently heads a firm specializing in professional development for schools. Robin Stern is an adjunct associate professor and researcher at Columbia Teachers College and a specialist in social emotional learning for the New York City Board of Education. This book is appropriate as a supplementary text in school counseling courses and as a professional reference work for practicing school counselors, counselor educators, counseling psychologists, school psychologists, and school administrators. Handbook of School Counseling Hardin L.K. Coleman, Christine Yeh, 2011-04-06. The mission of this forty-eight chapter Handbook is to provide a comprehensive reference source that integrates counseling theory, research, and practice into one volume. It is designed to meet the needs of entry-level practitioners from their initial placement in schools through their first three to five years of practice. It will also be of interest to experienced school counselors, counselor educators, school researchers, and counseling representatives within state and local governments.

Hatching Tier Two and Three Interventions in Your Elementary School Counseling Program Trish Hatch, Ashley Kruger, Nicole Pablo, Whitney Triplett, 2019-10-24. Ready your school counseling program for the kids who need it the most. For many students, elementary school is a time of tough transitions. When a student struggles in class, has difficulty making friends, experiences a life-changing event or crisis, or faces other challenges, your support is essential. Finding the right intervention for each identified student can be the key to that child's future success. In this companion book to *The Use of Data in School Counseling* and *Hatching Results for Elementary School Counseling*, Trish Hatch, Ashley Kruger, Nicole Pablo, and Whitney Triplett offer a systematic, evidence-based approach to creating and implementing high-quality interventions within a Multi-Tiered System of Support (MTSS). This hands-on guide features thorough exploration and explanation of Tier 2 and Tier 3 activities, Guidelines for progress monitoring and collaboration with teachers and family, Templates for developing lesson plans and action plans, Web-based resources including downloadable templates and a discussion guide, Personal stories and vignettes from practicing school counselors and teachers of the year. Every student deserves a quality education in a positive, healthy, safe environment. When you provide targeted, data-driven interventions for students in need, you make that possible for them and improve school life for their classmates and teachers as well. *Wellness Counseling* Jonathan H. Ohrt, Philip B. Clarke, Abigail H. Conley, 2018-12-28. This innovative text presents a comprehensive review of the theoretical and empirical support for a wellness approach to counseling with current techniques for client assessment, case conceptualization, treatment planning, and intervention. The authors provide holistic strategies for wellness promotion with children, adolescents, and young adults, as well as in counseling with groups, couples, and families. Each chapter includes reflection questions, learning activities, and resources to deepen readers' understanding of the content and application to practice. Wellness boosters offer quick methods for clients and counselors to increase their domain-specific and overall well-being. In addition, experienced counselors share their personal experiences implementing wellness interventions in Practitioner Spotlight vignettes. A chapter on counselor self-care completes the book.
