Asian Christian Theologies A Research Guide To Authors Movements Sources Southeast Asia:

Christian Movements in Southeast Asia Michael Nai-Chiu Poon, 2010 *Encyclopedia of Christianity in the Global South* Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world s Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide **Christianity in East and Southeast Asia** Ross Kenneth R. Ross, 2020-05-01 Taking the analysis of worldwide Christianity to a deeper level of detail this volume focuses on Christianity in East and Southeast Asia covering every country and offering both reliable demographic information and original interpretative essays by indigenous scholars and practitioners It maps patterns of growth and decline assesses major traditions and movements analyses key themes and examines current trends As a comprehensive account of the presence of Christianity in every country in East and Southeast Asia this volume is set to become a standard work of reference in its field *The Oxford Handbook of Christianity in Asia* Felix Wilfred, 2014 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia *The Cambridge History of Christianity: Volume 9, World Christianities C.1914-c.2000* Hugh McLeod, 2006-01-12 A comprehensive history of Christianity in the century when it truly became a global religion **Religion in Southeast Asia** Jesudas M. Athyal, 2015-03-10 This engaging encyclopedia covers the religions and religious traditions of various Southeast Asian countries including Brunei Burma Cambodia Indonesia Laos Malaysia the Philippines Thailand and Vietnam In this unprecedented profile of the religions of Southeast

Asia scholars from around the world explore the faiths spiritual practices and theological dogmas of the region The book contains a fascinating collection of accurate detailed articles informative sidebars and an extensive list of reference materials all of which uncover beliefs in that part of the world Discussions of ancient religions combined with a look at contemporary trends feature topics such as religious fundamentalism secularism and globalization Through 150 alphabetically arranged entries this encyclopedia investigates the religions and religious traditions of countries such as Brunei Burma Cambodia Indonesia Laos Malaysia and the Philippines among others Written in an accessible style this comprehensive reference looks at a variety of belief systems including Buddhism Confucianism tribal practices Hinduism Jainism and Zoroastrianism A selected general bibliography offers a listing of the most important print and electronic resources on the topic

[A History of Christianity in Indonesia](#) Jan Sihar Aritonang, Karel Adriaan Steenbrink, 2008 Indonesia is the home of the largest single Muslim community of the world Its Christian community about 10% of the population has until now received no overall description in English Through cooperation of 26 Indonesian and European scholars Protestants and Catholics a broad and balanced picture is given of its 24 million Christians This book sketches the growth of Christianity during the Portuguese period 1511 1605 it presents a fair account of developments under the Dutch colonial administration 1605 1942 and is more elaborate for the period of the Indonesian Republic since 1945 It emphasizes the regional differences in this huge country because most Christians live outside the main island of Java Muslim Christian relations as well as the tensions between foreign missionaries and local theology receive special attention

[The Oxford Handbook of Mission Studies](#) Kirsteen Kim, Knud Jørgensen, Alison Fitchett-Climenhaga, 2022-04-18 The Oxford Handbook of Mission Studies represents more than a century of scholarship related to the theology history and methodology of the propagation of Christian faith and the engagement of Christians with cultures religions and societies worldwide It contains more than 40 articles by experts from different disciplinary and ecclesial perspectives who are from all continents It not only offers a broad overview of key approaches and issues in mission studies but it also highlights current trends and suggests future developments The Handbook builds on renewed interest in mission studies this century generated by recent key statements on mission from ecumenical evangelical Catholic and Orthodox sources and by a spate of academic works on the topic Western church leaders now apply insights from foreign missions such as inculturation liberation interfaith work and power encounter to today's multicultural societies Meanwhile there are new initiatives in mission from the Majority World where most Christians live so that sending is not only from the west to the rest but from everywhere to everywhere Therefore this volume aims to reflect the voices of the receivers of mission as well as its protagonists and to raise awareness of new movements In a time of growing recognition of religions more generally this work examines and theorizes the missional dimensions of the world's largest religion its agendas growth outreach role in public life effect on cultures relevance for development and its approaches to other communities

[Towards a Truly Catholic and a Truly Asian Church](#) Jukka Helle, 2022-04-25 The

future of the Church is in Asia Pope Francis to the Philippine Cardinal Tagle Asian Catholic bishops have taken up this challenge since 1970 they show how the Asian Church navigates itself in the midst of Asian religious and cultural plurality An image of a harmonious dialogical and inclusive church with its wayfarer s theology emerges in the theological thought of Asian bishops This book also shows that the Asian Catholic Church is a lively and vibrant communion of local Churches whose fresh and inspiring theological thought should be studied and welcomed outside of Asia as well Asian Christian Theologies: Southeast Asia John C.
