Angels, Delirium, Liberty ,2010-08-31 Trip through a rogues gallery of villains and angels dream vistas and psychological conundrums in a new novel by Finley J MacDonald **Angels, Delirium, Liberty** Finley J.

Macdonald,2012-07-01 Ignoring his mother s call Clerk stands over the crib of the baby who died lost in dreams of absolute liberation Outside the hoary house and despairing post revolutionary metropolis music and real magic await him In the man the search is abruptly resurrected a desperate ecstatic hunt for the exit from the belly of a female python In an urban montage of dwarves prostitutes pimps and illustrious providers of goods of dubious legality he secures pills and papers and keys to his liberation He stumbles upon the City of a Hundred Gibbets a place of hidden curses and gold At last from the embrace of gray gray wings C reaches out to the last angel who might save him After the fashion of a Native American conception of storytelling the story of Clerk or C is constructed with interrelated story cycles rather than chronologically Chapters tend to be self contained and the tension is related to the broader pattern that coalesces as more about Clerk becomes known **The Angel of the Assassination** Marjorie Bowen,2021-11-09 In The Angel of the Assassination

Marjorie Bowen weaves a captivating narrative that blends historical fiction with elements of psychological intrigue Set against the backdrop of 19th century Europe the novel delves into the life of a shadowy figure who becomes embroiled in a web of political intrigue and moral ambiguity following a fateful assassination Bowen s rich descriptive prose evokes the period s atmosphere while her deep exploration of character motivations allows readers to traverse the complex interplay of guilt redemption and the human condition The novel s exploration of the psychological ramifications of violence situates it within the broader context of early 20th century literature where themes of existential dread and moral questioning were gaining prominence Marjorie Bowen a prolific writer known for her versatility in genre drew upon her fascination with history and human psychology in crafting this compelling tale Born in 1885 Bowen s diverse literary output often reflects her interest in the darker aspects of human nature and historical events Her experiences as a writer during a tumultuous era undoubtedly informed her nuanced portrayal of the consequences that arise from violent acts Readers seeking a thought provoking and atmospheric exploration of morality interwoven with historical events will find The Angel of the Assassination a captivating read Bowen s ability to blend rich storytelling with profound thematic depth invites reflection on the complexities of human behavior making this novel a worthy addition to any literary collection **The Morning Star** ,1892
