Beyond the White Negro Kimberly Chabot Davis, 2014-07-15 Critics often characterize white consumption of African American culture as a form of theft that echoes the fantasies of 1950s era bohemians or White Negroes who romanticized black culture as anarchic and sexually potent In *Beyond the White Negro* Kimberly Chabot Davis claims such a view fails to describe the varied politics of racial crossover in the past fifteen years Davis analyzes how white

engagement with African American novels film narratives and hip hop can help form anti racist attitudes that may catalyze social change and racial justice Though acknowledging past failures to establish cross racial empathy she focuses on examples that show avenues for future progress and change Her study of ethnographic data from book clubs and college classrooms shows how engagement with African American culture and pedagogical support can lead to the kinds of white self examination that make empathy possible The result is a groundbreaking text that challenges the trend of focusing on society's failures in achieving cross racial empathy and instead explores possible avenues for change

Childish Gambino Spike Lee Aaron McGruder Lynn Nottage ZZ Packer Suzan Lori Parks Mickalene Thomas Tour Kara Walker and George C Wolfe The essays intentionally seek out interconnections among various forms of artistic expression Contributors look at the ways in which contemporary African American satire engages in a broad ranging critique that exposes fraudulent outdated absurd or otherwise damaging mindsets and behaviors both within and outside the African American community

Neo-Passing Mollie Godfrey, Vershawn Young, 2018-02-21 African Americans once passed as whites to escape the pains of racism Today's neo passing has pushed the old idea of passing in extraordinary new directions A white author uses an Asian pen name heterosexuals live out as gay and irony of ironies whites try to pass as black Mollie Godfrey and Vershawn Ashanti Young present essays that explore practices performances and texts of neo passing in our supposedly postracial moment The authors move from the postracial imagery of Angry Black White Boy and the issues of sexual orientation and race in ZZ Packer's short fiction to the politics of Dave Chappelle's skits as a black President George W Bush Together the works reveal that the questions raised by neo passing questions about performing and contesting identity in relation to social norms remain as relevant today as in the past Contributors Derek Adams Christopher M Brown Martha J Cutter Marcia Alesan Dawkins Michele Elam Alisha Gaines Jennifer Glaser Allyson Hobbs Brandon J Manning Loran Marsan
