Animal Farm Modern Classics:

Animal Farm George Orwell, 2003 Having got rid of their human master the animals in this political fable look forward to a life of freedom and plenty But as a clever ruthless elite takes control the other animals find themselves hopelessly ensnared in the same old way *Animal Farm* George Orwell, 2010-05 All animals are equals but some animals are more equal than others George Orwell's classic satire of the Russian Revolution is the account of the bold struggle initiated by the animals that transforms Mr Jones's Manor Farm into Animal Farm a wholly democratic society built on the credo that all animals are created equal Out of their cleverness the pigs Napoleon Squealer and Snowball emerge as leaders of the new community in a subtle evolution that proves disastrous The climax is the brutal betrayal of the faithful horse Boxer when totalitarian rule is re established with the bloodstained postscript to the founding slogan but some animals are more equal than others War is peace Freedom is slavery Ignorance is strength In 1984 London is a grim city where Big Brother is always watching you and the thought police can practically read your mind Winston is a man in grave danger for the simple reason that his memory still functions Drawn into a forbidden love affair Winston finds the courage to join a secret revolutionary organization called the Brotherhood dedicated to the destruction of the Party Together with his beloved Julia he hazards his life in a deadly match against the powers that be The two novels that you now hold in your hands have become modern classics taught in many schools as examples of moral weight and political prescience read for pleasure excitement and instruction a wise compassionate and illuminating fable The New York Times absolutely first rate comparable to Voltaire and Swift There are no replacements for a George Orwell just as there are no replacements for a Bernard Shaw or a Mark Twain He pricked provoked and badgered lazy minds delighted those who enjoyed watching an original intelligence at work Time 1984 is a profound terrifying and wholly fascinating book It is a fantasy of the political future and like any such fantasy serves its author as a magnifying device for an examination of the present Lionel Trilling the most solid the most brilliant thing George Orwell has done *Animal Farm* George Orwell, 2020-02-10 The novella is written during the second World War but published in 1945 under a pen name of George Orwell George Orwell depicted the war and its aftermath quite well in the novella using animals as main characters This was unusual at that time for authors to depict reality through the perspective of animals However *Animal Farm* does not merely stop there as it also tackles politics and political concepts as well as philosophical such as freedom equality and happiness However despite it having all of these concepts laid out all at once it does focus more on the political events pertaining that of the Second World War and mostly Russia and the Soviet Union The novella is filtered with a symbolic nature characters representing people and places representing rulers or concepts In reality these concepts George Orwell dared to speak of and about subtly are the essence of the novella itself He does indeed place what he deemed the focal point on these following concepts that human societies base their foundation on especially during and after the Second World War Socialism Capitalism Fascism and communism In the conceptualized well

constructed world of George Orwell this novella Animal Farm tackles the aspects which postmodernism criticized harshly for the past decades This sense of freedom which the novel explores elaborately is soon evaporated into thin This vague concept of freedom in George Orwell s novella bewitches the reader into linking it with a sense of rebellion The creator against the created or so to speak as the novella revolves around animals in a farm hence the title of the novel These animals soon begin to think for themselves have some thoughts revolving rebellion against their master as they are in a sense seen as slaves Much further into the novel animals wish to become creators themselves to have a place of their own an ambition that might or might not be conceptualized into reality In other words it might remain quite abstract unless they succeed that is
