Trade Names Dictionary ,1986 *Companies and Their Brands* ,1990 Finding Metaphor in Grammar and Usage Gerard J. Steen,2007-11-14 Cognitive linguists have proposed that metaphor is not just a matter of language but of thought and that metaphorical thought displays a high degree of conventionalization In order to produce converging evidence for this theory of metaphor a wide range of data is currently being studied with a large array of methods and techniques Finding Metaphor in Grammar and Usage aims to map the field of this development in theory and research from a methodological perspective It raises the question when exactly evidence for metaphor in language and thought can be said to count as converging It also goes into the various stages of producing such evidence conceptualization operationalization data collection and analysis and interpretation The book offers systematic discussion of eight distinct areas of metaphor research that emerge as a result of approaching metaphor as part of grammar or usage language or thought and symbolic structure or cognitive process
