Mares,2022-08-15 In this poignant bilingual collection preeminent New Mexican poet E A Tony Mares posthumously shares his passionate journey into the broken heart and glimmering shadows of the Spanish Civil War whose shock waves still resonate with the political upheavals of our own times Mares engages in dialogue with heroes and demons anarchists and cardinals and beggars and poets He takes us through the convex mirror of history to the blood stained streets of Madrid Guernica and Barcelona He interrogates the assassins of Federico Garc a Lorca for their crimes against poetry and humanity Throughout the collection the narrator is participant and commentator and his language is both lyrical and direct In addition to Mares s parallel Spanish and English poems the book includes a prologue by Enrique Lamadrid an introduction by Fernando Mart n Pescador and an epilogue by Susana Rivera Lovingly shepherded and completed by friends and family this book will appeal to Mares enthusiasts and readers interested in poetry and history who will be glad to have this unexpected gift from a master s voice **Spanish - Applied New Testament Commentary**

StephenThorson TomHale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes bull bull General Articles on important aspects of the Christian faith bull An Introduction to each book of the New Testament bull Word definitions bull Clear explanations of Bible text bull How to apply the Bible to everyday life Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary s commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding
