Anglicisms In The German Newsmagazines Focus And Der Spiegel

LM Reder

Anglicisms In The German Newsmagazines Focus And Der Spiegel:

Anglicisms in the German Newsmagazines "FOCUS" and "Der Spiegel" Katharina Hirmer, 2012-08-24 Seminar paper from the year 2011 in the subject English Language and Literature Studies Linguistics grade 1.7 University of Regensburg Institut für Anglistik und Amerikanistik course Hauptseminar Language Contact language English abstract The subject of English influencing the German language has become more and more obvious in the last decades particularly in the last few years The Deutsche Bahn DB is a very graphic example for this language fashion You buy your Tickets there at the Counter next to the Service Point and after you have taken the City Night Liner you can rent a bike from the Call a Bike program after having made a short rest in the DB Lounge But there occurred a lot of misunderstandings because of the new short term parking lots in front of railroad stations called Kiss Ride in January 2010 So the chairman of the DB Rüdiger Grube finally decided to reduce the amount of anglicisms at the DB in February 2010 Counters turned again into Schalter Tickets into Fahrkarten Call a Bike is now called Mietradservice der Deutschen Bahn again only established and well known terms like Bahncard and Intercity stayed the same Thus English has obviously a huge bearing on the German language especially in the field of facilities and advertising and above all on youth language You would definitely find a lot of anglicisms in youth literature youth magazines or youth series on TV You only have to glance at the cover of the BRAVO headings like Coole Ansage an seine Hater Neues Game Star Memory Romantische Dates or Kuscheln im Tourbus are not a rarity But how does this phenomenon look for example in German highbrow newsmagazines with the average German newsmagazine readership To find this out I have chosen two very popular German newsmagazines the FOCUS and Der Spiegel since the two of them represent pretty much the German highbrow newsmagazines I was interested in the question whether these two magazines also represent the mainstream fashion of using many anglicisms in their articles or not As there have already been a couple of studies on this topic especially concerning anglicisms in Der Spiegel there is also enough comparative data to refer to The latest work Alexander Onysko's Anglicisms in German about anglicisms in Der Spiegel was published in 2007 so it's really interesting to compare the results of this study with the data of this book to see possible changes or similarities *The Use of Anglicisms in the German Magazine FOCUS* Nadja Grebe, 2010-11 Seminar paper from the year 2010 in the subject English Pedagogy Didactics Literature Studies grade 1.0 Ernst Moritz Arndt University of Greifswald Institut für Fremdsprachliche Philologien course Contact Linguistics language English abstract Most of all linguists who find themselves engaged in Contact Linguistics agree upon the fact that the influence of the English language on German is constantly increasing and has especially risen during the last decades of the 20th century cf Viereck 1980: 11 Gtzeler 2008: 58-59 Due to the close collaboration in the political and economical sector the contact between the two language regions has become more intense and has thus led to a higher frequency of borrowings from English As a direct consequence of this process a public discussion on the drawbacks of the use of anglicisms in German has started and found its peak in the foundation of the

Verein Deutsche Sprache formerly called the Verein zur Rettung der deutschen Sprache in 1997 cf G tzeler 2008 61 The increasing presence of loanwords as commonly believed as well as the ongoing public discussion on their use is reason enough to analyze the use of anglicisms in the German language by using the example of the German newsmagazine FOCUS In this context it shall be examined whether the frequency of anglicisms in 2009 is higher than the frequency in 1993 Furthermore as the corpus consists of texts from two different categories namely Deutschland and Modernes Leben numerical differences concerning those sections is also subject of the study As a result proof for the following theses is expected 1 The frequency of anglicisms used in 2009 is higher than in 1993 2 The number of borrowings in the section Modernes Leben will be greater than in the section Deutschland

Anglicisms in German Alexander Onysko, 2007 Offers a detailed account of the influence of English in German based on a large scale corpus analysis of the newsmagazine Der Spiegel This book presents a study that is structured into three parts each of which deals with fundamental questions and as of yet unsolved and disputed issues in the domain of anglicism research and language contact

Corpora and the History of English Christian Mair, Reinhard Heuberger, 2006

The Use of Anglicisms in the German Magazine FOCUS Nadja Grebe, 2010-11-08 Seminar paper from the year 2010 in the subject Didactics for the subject English Pedagogy Literature Studies grade 1 0 Ernst Moritz Arndt University of Greifswald Institut f r Fremdsprachliche Philologien course Contact Linguistics language English abstract Most of all linguists who find themselves engaged in Contact Linguistics agree upon the fact that the influence of the English language on German is constantly increasing and has especially risen during the last decades of the 20th century cf Viereck 1980 11 G tzeler 2008 58 59 Due to the close collaboration in the political and economical sector the contact between the two language regions has become more intense and has thus led to a higher frequency of borrowings from English As a direct consequence of this process a public discussion on the drawbacks of the use of anglicisms in German has started and found his peek in the foundation of the Verein Deutsche Sprache formerly called the Verein zur Rettung der deutschen Sprache in 1997 cf G tzeler 2008 61 The increasing presence of loanwords as commonly believed as well as the ongoing public discussion on their use is reason enough to analyze the use of anglicisms in the German language by using the example of the German newsmagazine FOCUS In this context it shall be examined whether the frequency of anglicisms in 2009 is higher than the frequency in 1993 Furthermore as the corpus consists of texts from two different categories namely Deutschland and Modernes Leben numerical differences concerning those sections is also subject of the study As a result proof for the following theses is expected 1 The frequency of anglicisms used in 2009 is higher than in 1993 2 The number of borrowings in the section Modernes Leben will be greater than in the section Deutschland

Anglicisms in the German "Cosmopolitan" and in the German news magazine "Der Spiegel". A quantitative survey of lexical borrowing in the German language Anica Wurmbrand, 2017-07-21 Seminar paper from the year 2016 in the subject Didactics for the subject English Pedagogy Literature Studies grade 1 0 University of W rzburg

language English abstract The following paper is a research on the quantitative use of Anglicisms in two German magazines The analysis will feature a selection of two issues of the German Cosmopolitan and Spiegel from December 2015 I chose these magazines because this type of material has not been considered in studies yet There are many researches about the usage of Anglicisms in Spiegel over the years or the integration of Anglicisms in advertisements found in magazines As there is a gap of statistics including the comparison of the number of Anglicisms in a news magazine and a lifestyle magazine I chose it to become the topic of this seminar paper Further this paper will analyze the usage of Anglicisms and their percentage distribution with regard to the different word classes First I will give a comprehensive overview over Thomason 2001 and Winford s 2003 2010 theories of language contact and borrowing Following that I will give some definitions concerning linguistic jargon and give samples of how Anglicisms are integrated into the German morphological and inflectional pattern The main part of this paper will be the evaluation of the data I collected and the comparison of the quantitative impact of Anglicisms in Cosmopolitan and Spiegel I conclude with a closer examination of the compounds found in the two magazines The Collocational Behavior of Anglicisms in German and American Business and News Magazines

Julia Sosnizka, 2014-05-27 In her dissertation Julia Sosnizka deals with the question whether and to what extent the collocational behavior of written Anglicisms in German resembles the collocational behavior of these word forms in the source language American English The study is empirically based on the 2008 volumes of the business magazines BusinessWeek and WirtschaftsWoche and the news magazines Newsweek and Der Spiegel This selection allows also for statements about differences between the thematically specialized corpora and those that are closer to general language use In total the research corpora comprise over nine million words The study is inspired by the observation that Anglicisms are not only transferred as isolated word forms from English to German but that instead they may be borrowed along with their collocates The author provides a broad overview on collocations which is treated very differently in the literature In addition to the corpus linguistic approach she also discusses psycholinguistic and semantic models of collocations The understanding of collocations for the present study is based on the statistically significant co occurrence of lexical word forms The dissertation may be seen as a contribution to contrastive corpus linguistics collocation and genre research In ihrer Dissertation beschreibt sich Julia Sosnizka mit der Frage ob und inwieweit das Kollokationsverhalten von geschriebenen Anglizismen im Deutschen dem Kollokationsverhalten dieser Wortformen in der Ursprungssprache amerikanisches Englisch entspricht Als empirische Grundlage dienen die Jahrgänge 2008 der Nachrichtenmagazine Newsweek und Der Spiegel sowie der Wirtschaftsmagazine BusinessWeek und WirtschaftsWoche mit insgesamt über neun Millionen Wörtern Diese Auswahl ermöglicht gleichzeitig Aussagen über Unterschiede zwischen thematisch spezialisierten Korpora und solchen die näher an der Allgemeinsprache sind Die Arbeit ist inspiriert durch die Beobachtung dass nicht nur Wortformen aus dem Englischen ins Deutsche übernommen werden sondern auch deren Kollokate Die Autorin gibt in der Arbeit einen umfassenden Überblick zum

Thema Kollokationen welches in der Literatur sehr unterschiedlich behandelt wird Neben dem korpuslinguistischen Ansatz er rtert sie auch psycholinguistische und semantische Erkl rungsmodelle f r Kollokationen Das Verst ndnis von Kollokationen f r die vorliegende Arbeit beruht auf statistisch signifikanter Kookkurrenz von lexikalischen Wortformen Die Dissertation ist somit als ein Beitrag zur kontrastiven Korpuslinguistik Kollokations und Genreforschung zu sehen

Anglicisms in the German language - in spite of linguistic purism? Nina Jeanette Hofferberth, 2013-07-01 Seminar paper from the year 2008 in the subject English Language and Literature Studies Linguistics grade 1 3 University of Frankfurt Main Institut f r England und Amerikastudien language English abstract Hatte ich vorsichtshalber den Times Artikel ber die German linguistic submissivness unsere bekannte sprachliche Unterw rfigkeit berflogen mu ich die Travel Service Hostess hinter dem Counter ziemlich perplex angestarrt haben als sie loslegte Jetten sie single or double IT Comfort oder Business Class Carrier In London Bed Breakfast oder Full Service Fly And Drive Arrangement Rent a car oder nur Transfer vom Airport zur City Lodge Pollmeier 1994 in Spitzm ller 2005 117 Most linguist are consistent with the fact that German linguistic purism came to an end with the abolition of the Allgemeiner Deutscher Sprachverein ADSV in 1940 Pfalzgraf 2006 9 Since the late 1990s however the debate about foreign words in German has become more intense A number of politicians from all parties have recently criticezed the overuse of Anglicisms Furthermore there have been demands for a law to protect the German language as France did in 1975 Nationally supported associations as well as private organizations and internet homepages combat the so called flood of Anglicisms in German In 1899 Hermann Dunger wrote an article on Wider die Engl nderei in der deutschen Sprache but the opposition to the English influence has existed since the 17th century

The attitudes towards anglicisms in German. A survey analysis focussing on age-related differences Nico Röhrs, 2021-02-02 Seminar paper from the year 2020 in the subject English Language and Literature Studies Linguistics grade 1 3 University of Bremen language English abstract This paper is concerned with the subject of anglicisms Anglicisms are lexical items which are transferred into our everyday language use They are surrounded by a constant debate about their necessity While linguists mostly appreciate their advantages linguistic purists regard them as a threat and try to remove or limit them Through analyzing a survey this study presents the attitudes towards anglicisms in German Thereby the influence the participants age has on their attitudes is especially focused on After setting the scene by giving an overview about already existing research on the spread of English anglicisms in German and linguistic purism the survey analysis shows that older generations attitudes towards anglicisms tend to be more negative As the paper focused on the social characteristic Age future studies could discuss the influence class affiliation or education has on the attitudes towards anglicisms

Anglicisms in German Advertising Slogans Anna Theresa Wendel, 2014-08-26 Seminar paper from the year 2013 in the subject English Language and Literature Studies Linguistics grade 1 0 University of Trier language English abstract For quite some time advertising is a gateway for anglicisms into the German language The VDS Verein Deutscher Sprache

Association of German Language also shares this opinion They say that the main transmitters for anglicisms in Germany are the mass media and the advertising and entertaining industry Although anglicisms belong to the most explored aspects of advertising language there haven t been many empirical studies yet Their proportion in a temporal comparative and in connection with various product groups is rarely studied in the German speaking area Especially the researches of Dagmar Sch tte and the database slogans de offer a basis to investigate these questions In this paper it will be mainly referred to slogans since they appear in every kind of media and because they are the main representatives of the trends in the advertising language First the evaluation of Sch tte 1996 which reaches until 1991 should be checked Then it should be examined whether the increase of English slogans continues onwards in the 1990s and the 2000s Furthermore the sectoral distribution of English slogans will be analyzed In order to provide a prospect to the future this work will also contain a chapter about the new language trend in German advertising Sch tte defines an anglicism as a linguistic sign consisting wholly or partly of English morphemes regardless of whether it is connected to a common meaning in the English language usage or not In the following this definition is adopted what means that the term anglicism is generally an English coined word or expression

Anglicisms In The German Newsmagazines Focus And Der Spiegel Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Anglicisms In The German Newsmagazines Focus And Der Spiegel free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Anglicisms In The German Newsmagazines Focus And Der Spiegel free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Anglicisms In The German Newsmagazines Focus And Der Spiegel free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Anglicisms In The German Newsmagazines Focus And Der Spiegel. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Anglicisms In The German Newsmagazines Focus And Der Spiegel any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Anglicisms In The German Newsmagazines Focus And Der Spiegel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
