Porter,Wendy J. Porter,2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even

to perceive the Transcendent's pursuit of us The Hundred Books Glyn Hughes, 2016-10-03 There's a set of books which you're just supposed to know about at least if you live in The West and fancy the idea of being thought educated There's the Bible Shakespeare James Joyce Walter Scott and Machiavelli Dr Jekyll Tiny Tim Starbuck Socrates Mr Scrooge Raskolnikov Einstein and Enkidu The Brontes and Boswell Wordsworth Newton Confucius and Don Quixote Here they all are 100 of the most quoted most known works of all time in the original author's own words but squashed up into nice little abridgements you can read in an hour or so Little versions which smell and sound just like the originals And with The Hundred Books it becomes possible to read the whole thing as a single narrative to discover a Pisgah View of the written history of the great grand thing of how We got where We are now in way that's just impossible for ordinary mortals Read the lot you'll love it and you'll never ever be bored in an airport again **Virtue** ,1994 **Secret Shame** Angel L. Murchison, 2022-11-29 Many women suffer in silence following a hidden abortion but they don't have to do it alone It is possible to heal from the burdens of shame trauma self loathing and self condemnation that appear after an abortion but it's not an easy process According to Angel L Murchison this pain can only be overcome by the grace of God In Secret Shame Angel shares her personal story of overcoming the pain of brokenness following an abortion Secret Shame will bring anyone healing from the realities of abortion to the Healing Waters of Jesus Christ where they can find freedom from their past The reality of Angel's story will strengthen anyone's faith in God as she shows the truth of His Word and His promises Her experiences outline essential elements of grief recovery while also celebrating the return of joy after the pain of trauma **"The" Athenaeum** ,1848
