The Sakura Reiki Do Method - Master Manual Sakura Reiki Do, **Healing From the Inside** Dr. Susanne T. Eden, 2025-09-26 As you age the phrase the best is

yet to come doesn't have to just be a slogan. It can be reality. Aging, although there are certain inescapable challenges involved, doesn't have to mean decline. With a proactive and holistic approach to health and wellbeing, you can live more fully in your golden years. Susanne Eden is living proof: a senior who took early retirement due to debilitating chronic illness and damaging medication, she now has regained much of her vibrancy and enjoys a level of energy and zest that she hasn't felt for years. Eden argues that placing trust in medicine that treats physical illness to the exclusion of the inner self is not the answer. She describes a path to healing that involves more than pills and procedures. It is called healing from the inside. Now she wants to share what she's learned with you. If you are willing to take responsibility for your health and wellbeing, the strategies described in *Healing From the Inside* have the potential to improve the quality of your life at all levels: physical, mental, and spiritual.
