sprinkle of mischief to create an unforgettable Christmas miracle About the Author Debbie Macomber the author of The Inn at Rose Harbor as well as the Cedar Cove and Blossom Street series is a leading voice in women s fiction Five of her novels have scored the 1 slot on the New York Times bestseller list with three debuting at 1 on the New York Times USA Today and Publishers Weekly lists Debbie Macomber s Mrs Miracle 2009 and Call Me Mrs Miracle 2010 were Hallmark Channel s top watched movies for the year This prolific author has more than 160 million copies of her books in print worldwide Excerpt Reprinted by permission All rights reserved Chapter One This is really Earth Will the apprentice angel asked lying on his stomach on a low flying cloud with his three mentors His eyes widened as he gazed down on the crazed activity below This is Earth Mercy informed their young charge with a tinge of pride For all its problems Earth was a fascinating place to visit with the tall buildings that butted up against the sky and people milling about with such purpose most of them unaware of the spiritual world that surrounded them More times than she could remember Mercy had lost patience with humans Those who were considered the apex of God s creations appeared to be slow witted and spiritually dull Yet she loved them and treasured her Earthly assignments It s New York Shirley added resting her chin in her hands as she gazed longingly below Oh I do so love this city Manhattan to be more precise Goodness clarified and ended with a little sigh indicating that she too had missed visiting Earth The four hovered near Times Square watching the clamoring crowds jockeying for space on New Year s Eve Will s eyes widened as he intently studied the scene taking place in the streets below Is it always like this so busy and crowded I mean No no this is a special night The people are gathering together to usher in the New Year Time was a concept reserved for Earth In heaven it was much different Consequently the time restriction placed on the three Prayer Ambassadors when given Earthly assignments had caused more than one problem Did Gabriel want us Gabriel Shirley gasped and quickly cut him off He doesn t exactly know that we ve brought you here It would probably be best if you didn t mention this short visit to him okay Yes please it would be best not to let anyone know we ve shown you Earth It went without saying they d be in all kinds of trouble if Gabriel learned what they d been up to Gabriel means well but he tends to get a little prickly about these things Goodness explained to their young charge Why is that Will stared at all three of them Well you see we the three of us thought we should give you a bird s eye view of Earth and these people God loves so much strictly for training purposes Mercy looked to her friends to expound upon their intentions which were honorable if not a tad bit sneaky This Earthly visitation had been a spur of the moment decision Mercy had been the one to suggest it Naturally Goodness was quick to agree and after some discussion Shirley had seen the light as well Will an apprentice angel had been placed under their charge and given this honor it was only right that he get a glimpse of the trials and tribulations that awaited him once he started working as a Prayer Ambassador The job could be a bit tricky and the more Will understood the idiosyncrasies of humans the better he would do once given an assignment from Gabriel Mercy was certain that under their tutorship Will would make a fine Prayer Ambassador one day He was young and enthusiastic eager to learn about Earth and

the role he would play As Mercy who had falsely been labeled a troublemaker had pointed out theirs was a duty that required serious dedication She wasn't alone in believing this Goodness oh poor Goodness had gotten something of a reputation too and Mercy felt partially to blame but that was another story entirely Shirley tended to be a bit more on the straight and narrow path and had worked hard to reform her friends In fact Shirley a former Guardian Angel had done such a marvelous job Gabriel had offered to let them train the promising young angel who was with them now Naturally it was understood that if the three of them accepted this assignment training Will then of course there would be no hanky panky no tricks no nothing All three had agreed This was a high honor indeed and their intentions were good Now here they were New Year's Eve in Times Square in one of the most amazing cities on Earth Mercy breathed in deeply savoring the moment Bringing Will had been a good excuse but the fact of the matter was that she had missed visiting Earth It'd been a good long while since their last assignment and she missed the razzle dazzle of the big city Isn't Earth just marvelous Goodness said her huge wings fluttering with delight Just look at all those neon lights I've always been especially fond of light As we all are Shirley reminded them Can we go down there with the people Will asked Absolutely not Shirley's loud protest was instantaneous I don't think it would hurt anything Goodness countered her gaze still fixed on the bright lights of the city below Will glanced from one to the other How will he ever learn about humans if he doesn't have the opportunity to mingle with them Mercy asked siding with her dearest friend Shirley could be such a stickler for rules Okay so they'd originally promised not to get anywhere close to humans but this would be a good teaching moment for Will How will he ever learn how to work as a Prayer Ambassador if he doesn't become familiar with humans Goodness protested Shirley wavered While she might be opinionated on a number of topics she could be easily swayed which was the best part of working with her Mercy felt Well Do we hear the humans prayers Will asked Oh no Shirley explained Only God hears their prayers and then He talks matters over with Gabriel and then Then Gabriel passes along those requests to us And we assist in answering them One of our roles is to help humans realize how much they can do for themselves with God's help Goodness clarified We try as best we can without interfering in their lives Shirley added quickly glaring at Goodness and Mercy This was a warning and Mercy recognized it the instant her friend spoke But first and this is the most important part Goodness emphasized it's our duty to teach these humans a lesson Then and only then are we able to help them with their troubles The real difficulty comes when they don't want to learn Goodness shook her head because this aspect of the job was often a challenge Some people seem to want God to step in and do as they ask without making a single contribution to the effort It doesn't work like that Mercy said although she'd done a fair bit of finagling to help these poor witless souls In theory answering prayers didn't sound the least bit difficult Unfortunately humans were sometimes completely dense They can be so stubborn Goodness said shaking her head again Strong-willed Shirley agreed Oh yes and once Mercy snapped her mouth closed It was best not to reveal their past antics for fear it would mislead their young charge into thinking that perhaps he should follow in their footsteps Gabriel would take

exception to that Once Will pressed What happened Never mind Shirley said reading the situation perfectly Some things are best laid to rest and not discussed Can I go down and be with the crowd Will asked again I won't say anything to Gabriel He isn't the only one Shirley blurted out I mean we shouldn't mutter a word of this to anyone in heaven **Angels at the Table** Debbie Macomber,2012-11-08 Shirley Goodness and Mercy who we met in Angels at Christmas are back And as always they're causing all sorts of trouble So escape the craziness of Christmas settle back with a cup of hot tea and a Christmas treat and be prepared to laugh And if you happen to see a camel wandering down the street all on its own you can take a guess who might be responsible *Choir of Angels* Debbie Macomber,2022-09-20 Angels are all around us especially at Christmas Three classic stories of hope and seasonal cheer Shirley Goodness and Mercy Greg Bennett hates Christmas Divorced almost friendless and about to lose his business he has no time for what he considers sentimental nonsense But three irrepressible angels are here to follow him until he learns what Christmas is truly all about Those Christmas Angels The angels come down to earth again to respond to Anne Fletcher's prayer request She wants her son Roy to meet a special woman and learn what is actually important in life So the angels contrive to throw Julie Wilcoff in his path literally Where Angels Go Another Christmas another angelic rescue Three heaven sent messengers reunite a divorced couple bring peace of mind to an elderly man and grant a little boy's fondest wish because bringing joy is in their job description The Angel Books Book 1 SHIRLEY GOODNESS AND MERCY Book 2 THOSE CHRISTMAS ANGELS Book 3 Where Angels Go **Talking Book Topics**,2014-07 **Angels at Christmas** Debbie Macomber,2012-06-15 Every Christmas three lovable angels visit Earth Once a year Shirley Goodness and Mercy are allowed to intervene or more accurately interfere in human affairs Despite their frequent misadventures and the chaos they often cause things always seem to turn out right This Christmas join Those Christmas Angels as they respond to Anne Fletcher's prayer request She wants her son Roy to meet a special woman and the angels contrive to throw Julie Wilcott in his path literally Watch as the heaven sent messengers reunite a divorced couple bring peace of mind to an elderly man and grant a little boy's fondest wish Because there's always joy Where Angels Go Shirley Goodness and Mercy offer you laughter and Christmas cheer in these two heartwarming stories THOSE CHRISTMAS ANGELS Debbie Macomber,2013-12-17 Three delightful angels come down to earth just in time for Christmas Shirley Goodness and Mercy three well intentioned angels who are occasionally allowed to intervene or perhaps more accurately interfere in human affairs Despite their frequent misadventures despite the chaos they often cause things always seem to turn out right Their latest prayer request comes from the Seattle area Anne Fletcher sees her son Roy becoming a bitter career obsessed man She prays for a special woman to be sent into Roy's life a woman who'll show him what really matters The angels swoop down and find a way to throw Julie Wilcoff in his path literally From that moment on Shirley Goodness and Mercy shall follow them whispering suggestions arranging encounters hoping for the best *Choir Of Angels/Shirley, Goodness And Mercy/Those Christmas Angels/Where Angels Go* Debbie Macomber,2018-10-01 Angels are all
