Angels and Demons John Hagee, 2015-12-01 An in depth interactive companion study to John Hagee s new bestseller *The Three Heavens*

Chasing Immortality in World Religions Deborah M. Coulter-Harris, 2016-07-25 Humans have been chasing immortality since the beginning of history seeking answers to sickness and aging death and the afterlife and questioning the human condition Analyzing ideas from ancient Sumer Egypt Greece and India as well as the Abrahamic religions of Judaism Christianity and Islam this study explores how early religious models influenced later beliefs about immortality the afterlife the human soul resurrection and reward and punishment The author highlights shared teachings among the most influential religions and philosophies concluding that humankind has not substantially changed its conceptions of immortality in 6 000 years This continuity of belief may be due to chromosomal memory and cultural inheritance or may represent a fundamental way of conceptualizing the afterlife to cope with mortality Instructors considering this book for use in a course may request an examination copy here

[Japanese Understanding of Salvation](#) Martin Heißwolf, 2018-02-14 It is no secret that Christianity has been widely rejected in Japan with less than two percent of the population identifying as Christian The dominant worldview in Japan is deeply animistic with beliefs such as the Japanese mana concept ki the Japanese soul concept and the concept of God god s kami being deeply rooted in the culture and fundamentally influencing society Dr Martin Hei wolf with his years of experience in Japan critically examines Japanese animism in light of core Christian beliefs such as the concepts of peace and salvation Central to Japanese people s rejection of Christian truth is the diametric opposition of its supernatural message to the natural focus of Japanese animistic folk religion Hei wolf s meticulous study is framed squarely within missiological thought and praxis so Christians serving in Japanese contexts are better able to communicate the message of the gospel by more fully understanding Japanese people people by whom God wants to be known

The Invisible World Anthony DeStefano, 2011 The author of *A Travel Guide to Heaven* draws on scripturally sound teachings to explain how readers can connect with the spiritual dimension surrounding everyday life in order to achieve profound inner peace

A-Z Spirits Bobbie J. Gilmore, 2007-02-05 *A Z spirits Talking Demons* guarantees the reader a better understanding of the origin of sin and evil and how it negatively affects the entire world For this Book I had to first envision an angel society of workers a quarrel or conflict taking place between God and Satan the war between good and evil spirits and Satan and his angels expulsion from heaven The Bible does not record Satan s words because the Bible is the word of God However knowing of the devil s hateful spirit I could only imagine the words of Satan After reading this book you will find that all of what he has to say is so familiar
