Raines, Robert J. Canady, 1992 A collection of ideas for activities to use in conjunction with over 90 children's books

Storytimes for Children Stephanie G. Bauman, 2010-11-10 This text presents a compilation of the best of ideas from a group of library science graduate students providing creative and engaging programs geared especially for children ages 0-12. What are the concepts, activities, and topics that will hold the attention of today's children? And what are the best ways to provide a valuable learning experience while they're having fun and being entertained? Many of the most original, creative, and wildly effective ideas in storytime are contained in *Storytimes for Children*, a collection of fresh and vibrant programs created to be relevant, interesting, and fun for today's youngest generations. This collection of themed storytimes includes suggestions for opening and closing sessions, crafts and activities, songs, poems, fingerplays, and movements, as well as the accompanying literature. Several of the included storytimes comprise a series of programs allowing for related activities that build upon each other. The text is organized into six chapters, each prefaced by an introduction that clarifies the strengths of the programs within. Each chapter covers a highly targeted age range to give practitioners the ability to easily choose the most appropriate storytimes for any given audience. Environmental education in the schools: creating a program that works. ,

Theatre/Archaeology Mike Pearson, Michael Shanks, 2005-07-08 Theatre Archaeology is a provocative challenge to disciplinary practice and intellectual boundaries. It brings together radical proposals in both archaeological and performance theory to generate a startlingly original and intriguing methodological framework. Wings of Fancy Joan Garner, 2006-09-30 Featuring scripts for well-known classical fantasy stories as well as more current entries into the genre, *Wings of Fancy* addresses subgenres such as Fairies and Enchanted Creatures, Fantastic Beasts, and Talking Animals. Each script offers a summary of the story with background information on the author and story, plus suggested further readings. Staging and presentation directions are included, as is a glossary of new and unfamiliar terms. Unlike most other books of this type, lesson plans and project ideas are also included for each story. Grades 4-8. The Readers Theatre series presents original scripts written for the purpose of teaching a specific literary genre. Each book is composed of 24-28 scripts keyed to published books, plays, poems, or stories in that genre, encouraging students to read the originals to accomplish the correlated project. Staging and presentation directions are included. Two leveled lower and higher level projects with all needed lesson plans, forms, and discussion are also provided for each script. *Resources in Education* , 1998
