A More Christlike God A More Beautiful Gospel:

A More Christlike God Bradley Jersak, 2015-09-01 Whether our notions of God are personal projections or inherited traditions author and theologian Brad Jersak proposes a radical reassessment arguing for A More Christlike God a More Beautiful Gospel If Christ is the image of the invisible God the radiance of God's glory and exact representation of God's likeness what if we conceived of God as completely Christlike the perfect Incarnation of self giving radically forgiving co suffering love What if God has always been and forever will be cruciform cross shaped in his character and actions A More Christlike God suggests that such a God would be very good news indeed a God who Jesus unwrathed from dead religion a Love that is always toward us and a Grace that pours into this suffering world through willing human partners

A More Christlike God Bradley Jersak, 2016-03-28 What is God like Toxic images abound God the punishing judge the deadbeat dad the genie in a bottle But what if instead God is completely Christlike What if His love is more generous his Cross more powerful and his gospel more beautiful than we dared to imagine What if our image of God is the self giving forgiving co suffering Love

A More Christlike Way Bradley Jersak, 2019-08-12 In his previous work A More Christlike God Brad Jersak looked to the Incarnation of Jesus Christ to reveal the true nature of God as self giving radically forgiving compassionate Love In this follow up book after deconstructing four counterfeit ways Jersak explores seven facets of the Jesus Way Christ's radical revelation of true humanity beckons us Would you be human Take up your cross and follow me A More Christlike Way

A More Christlike Word Bradley Jersak, 2021-07-20 The Scriptures are an essential aspect of the Christian faith But we have often equated them with the living Word Himself even elevating them above the One to whom they point In doing so we have distorted their central message and our view of God Tragically this has caused multitudes of people unnecessary doubt confusion and pain in their encounters with the Scriptures Many people understand God as being truly loving and good Yet they struggle with depictions of God in Scripture as wrathful violent and genocidal These toxic texts have caused some to set aside their Bibles as R rated and unreliable They have led others to completely reject their faith Author and theologian Bradley Jersak has wrestled deeply with such passages over many years He has experienced the same questions doubt and pain In A More Christlike Word he offers a clarifying and freeing path forward Whether readers consider themselves believers doubters or skeptics all are invited to a more beautiful and ancient way of reading the Scriptures Bradley calls this path the Emmaus Way because it demonstrates how Jesus regarded all Scripture as fulfilled in himself the final Word of God who reveals the true nature of the Father After deconstructing the modern biblicist literalist approaches to Scripture interpretation that have failed us Brad turns to the early church for a hermeneutic of prefigurement treating the Bible as the grand narrative of redemption told through a polyphony of voices and worldviews culminating in the arrival of Christ as the eternal Word of God what God has to say about himself The interpretive system of the church fathers and mothers who gathered the New Testament and preached the gospel from the Old Testament has largely been ignored or

dismissed by both evangelical and liberal movements the twin children of modernity The patristics explain and model the apostles Christ centered interpretation of the Scriptures Brad applies their approach to unwrath sample passages from each genre of the Bible showing how even the cringe worthy texts have an important place in the Christotelic saga of divine love Your journey on the Emmaus Way will open up to you the fullness of the Scriptures and most important lead you to the God who deeply loves and welcomes you

Prodigal Gospel Jonny Morrison,2024-05-07 The good news is bigger and better than we imagined Many Christians especially young Christians stepping into a world and a church devastated by division scandal and abuse are asking whether the gospel is good news for us today And many are deciding that faith simply doesn't have anything to offer Our gospel has become too small it looks nothing like the Jesus who embodies good news in the flesh How do we recover this gospel When we turn to the parable of the prodigal son a story of elaborate parties upside down kingdoms and reunited families we can hear in Jesus own words a clear presentation of a truth that is bigger and better than we've imagined In these pages author and pastor Jonny Morrison invites us on a journey into the welcoming arms of this familiar parable showing us how it shapes the entire story of Scripture Along the way we discover the radically inclusive power of the gospel that upends religions disrupts empires heals the wounded and empowers the marginalized After all this is Jesus good news to tell And when we listen to him tell it we can be found again in the surprising disarming challenging gospel that is truly good news

The Fundamentals of a Recovering Fundamentalist Gabriel Gordon,2024-06-27 As recovering Fundamentalists we often find ourselves unknowingly remaining within the Fundamentalist worldview We think that if we enter into Progressive Christianity we're leaving behind the irrational hurtful racist and untrue theological worldview we were brought up in But what if Fundamentalism is really a kind of Progressive Christianity And both of these twin children of modernity are inherently racist anti Jewish and colonial and therefore antithetical to the brown Jewish Incarnation of the God of Israel What if instead of leaving Fundamentalism we've really just changed the garbs of the Northern European Enlightenment rather than truly reorientating our whole lives towards the True Good and Beautiful In this book we will examine a need for former Fundamentalists to be reintroduced to the Christian faith One that looks backwards towards Christianity as it existed before the Enlightenment and even the Reformation One that de-centers Christian traditions which originated out of Northern Europe by centering Christian traditions rooted in such places as Southwest Asia and North and East Africa By criticizing modernist white Christianity the reader is guided into a Christianity that isn't merely the other side of the same coin but looks radically different

Evolution of God Leonardo Wolfe,2021-02-24 This debut book boldly seeks to argue competitively in the same intellectual field as famous atheists such as RICHARD DAWKINS CHRISTOPHER HITCHENS and BERTRAND RUSSELL and to do so in the spirit and style of such famous Christian apologists as C S Lewis and RAVI ZACHARIAS drawing heavily on basic science history physics psychology paleontology anthropology archeology neurology child development and even science fiction It describes the evolution of the

human brain in ancient hominids allowing humans to eventually conceive a non physical realm the spirit world and as the mind evolved intellectually from primitive animism to Christology God revealed himself gradually as the developing hominid brain became able to comprehend new ideas For Believers the author presents a new intellectually satisfying way to understand and defend the Bible For both Skeptics and Believers a worldview is offered that is spiritually meaningful and scientifically sound
