A Mothers Prayer And Gods Miraculous Answer:

A Mother's Prayer and God's Miraculous Answer Korene Sturtz, 2015-03-02 We must position ourselves to receive In any circumstance where a giver is giving the recipient must position themselves to receive Spiritually you cannot receive a gift from God unless you position yourself to receive that gift In fact if you are not in position God s blessing will crush you it will cause the opposite effect that was intended Cameron and Caden Sturtz were dying from a rare liver disease until their parents decided to go and position themselves to let go and let God take control even if their boys were to lose their life This miracle blessing was crushing their family until they were willing to position themselves which was the hardest decision ever The Lord asks what are you willing to sacrifice for the harvest He has for you without knowing what it looks like **A Mother's Plea: Hannah's Prayer for a Child** Ahmed Musa, 2024-12-09 Step into the heartfelt story of Hannah a woman whose unwavering faith and earnest prayer changed the course of history A Mother s Plea recounts the deeply personal and timeless tale of a mother s longing her tearful supplications to God and the miraculous blessing of her son Samuel This inspiring narrative captures Hannah s journey from sorrow to joy revealing the power of prayer perseverance and the beauty of surrendering to divine will Perfect for readers seeking encouragement this book offers a touching reminder of the hope and strength found in faith and how one woman s devotion can ripple through generations A poignant and uplifting read for all who believe in the power of prayer and the miracles it can bring **Miracles Today** Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener s most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener s basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople **Miracles Are for Today** Troy Edwards, 2010-11 For centuries the place of miracles in the church has been debated This controversy remains in our day Numerous views and theological positions are advocated in defense or rejection of miracles for today There are some who believe they are for today some who outright deny their validity for today and some who remain unsure Even among those who believe that God has never ceased working miracles there are a number of perspectives ranging from the idea that they are rare that they are spontaneous and happen only at God s sovereign whim and then there are those who believe that a faith filled group of Christians who believe God s promises can experience them frequently In his book Miracles Are For Today Pastor Troy J Edwards refutes the idea that God s miracles are only for a past generation and explains from Scripture how God s people can experience frequent miracles in their corporate worship as

well as within their personal lives Get ready to believe God for a miracle today **The Miracle of Answered Prayer** John Greener Hallimond,1916 **Miracles and Wonders in the Middle Ages and Early Modern Period** Albrecht Classen,2025-10-20 Despite the assumption that we live today in a rather rationalist and mechanized world there remain many aspects that neither medicine nor physics can fully explain The Catholic Church continues to pronounce individuals as saints because scientifically confirmed miracles are associated with them If we want to gain a solid understanding of the pre modern history of mentality emotions and everyday culture it proves to be highly revealing to examine what miracles and wonders had meant at that time both in the theological and medical field in the visual arts and literature As a matter of fact people both in the East and in the West have consistently flocked to pilgrimage sites all over the world in the hope that a miracle might happen and solve issues for them The contributors to this volume based on a symposium at the University of Arizona May 2024 approach this critically important topic from many different perspectives taking us from the early Middle Ages to the early modern age examining hagiographical medical literary and alchemical texts discussing both miracles and wonders as relevant themes in the public discourses Both the passage through Inferno and Purgatorio as the crucial pathway toward Paradiso and the experience of women s miraculous conception are identified as deeply impactful for the pre modern world and this both in Christian and Muslim cultures Studying miracles and wonders through a kaleidoscope of different materials and concepts makes it possible to gain a closer understanding of people s mindsets power structures and the debate between medicine and religion These topics were also greatly important in other cultures as several papers on Arabic medieval literature indicate Further pursuing this global issue we recognize easily that the separation line between the Middle Ages and the early modern period is only a modern construct and often not that helpful because the discourse on miracles and wonders has continued and influences even us today Railway Signal ,1888 **The Evangel of the New Theology** Thomas Rhondda Williams,1905 Miracles at the Door Don Draper,2012 Miracles at the Door is a remarkable book showing how God has led Literature Evangelist Don Draper for over thirty seven years in God s great work This book is clear proof of Mrs White s vision in showing that thousands of books are left in homes around the world showing many the way to Heaven Reading this will encourage you and show you how God still works miracles even in this modern world This is a definite must read **It's Not About You--It's About God** Rebecca Florence Osaigbovo,2010-02-04 It can hurt to hear someone tell it like it is But sometimes you need to get the truth straight up And the truth is that it s not about you it s about God Maybe you have relied on your own strength for far too long You haven t been able to count on other people so you just do your own thing But God has bigger plans for you God wants to use you to change the world Rebecca Osaigbovo conference speaker and author of Chosen Vessels shows how black women can stand up to Satan s lies and face tough problems not in your own strength but by finding God s strength in the midst of your weaknesses She says this to women who want to be the keys to change in their homes churches and communities If you want things to be different then stop going

your own way and follow God's lead. Lean not on your own understanding and he'll make your paths straight.
