A Piece Of Silver A Christmas Story:

A Piece of Silver Clark Rich Burbidge, 2011-07-27 Meet Daniel a homeless boy living in Bethlehem 2 000 years ago See through his eyes the birth of the Savior of the world and witness the young boy's personal offering Follow him as he grows and struggles in a lonely world until he again finds himself in the presence of Jesus *Nellie's Trials and Triumphs: a Christmas Story for Children* J. Henry Jewell, 1879 **Inside the Christmas Story** Anthony Bash, Melanie Bash, 2012-12-06 Depressed by Winterval Put Christ back into Christmas with a fresh understanding of the Christmas story based on daily Advent readings and meditations Fairy Water: A Christmas Story Mrs. J. H. Riddell, 1869 *Waddles: A Christmas Story* Sophie Hansard, Christmas 1987 The air crackled with anticipation a sweet blend of pine needles and cinnamon swirling through the streets For Jenny a woman with a heavy heart and a hefty inheritance this Christmas would be unlike any other She found herself in possession of a crumbling department store called Waddles a place steeped in memories and the fading scent of Christmas magic Driven by a yearning to recapture the joy of her own childhood Christmases and a desire to spread the magic of the season Jenny set out to revive Waddles But her journey was far from simple The store was struggling financially its staff a peculiar mix of eccentrics with a penchant for the past Clarence the former warehouse king obsessed with vintage Christmas lights Beatrice the lovestruck finance manager who believed in the power of perfume and a cast of colorful characters filled the store with both chaos and warmth As the holidays approached Jenny discovered that Waddles held secrets hidden within its walls whispers of a past that intertwined with her own She was forced to confront the shadows of her past unravelling the truth about her late husband and the secrets he left behind But amidst the challenges the magic of Christmas held sway The staff united by their shared love for Waddles and the season found strength in each other discovering that the greatest gifts are often found in the warmth of friendship and the power of believing in the impossible Come step inside Waddles and let the spirit of Christmas transport you back to a time of simple joys heartfelt wishes and the enduring magic of the season *As You Like It. Illustrative of a Great Sovereign. A Christmas Story* Lyulph, 1874 **Pieces of Silver** Cynthia Winkler, 2016-01-18 Walking in a winter wonder land was as perfect as the song implied until a corpse is dropped in an outdoor ice cathedral and Rose is hurled into another set of circumstances that will alter her life forever Like ripples rising from shadowy depths to stir the surface everything in Benton begins to change with her discovery of the unidentified body Secrets buried in an intricacy of deceit and betrayal threatens to destroy more than reputations if truth is exposed to the light Someone knows all about the cadaver and they're watching Another will do anything it takes to keep the secrets locked away and they've killed before Austin knew the trouble was starting when the coins came and based on the ancient inscription that found its way to him through time and space he didn't let his wheelchair get in the way of helping a friend **The Upas Tree: A Christmas Story for All the Year** Florence Louisa Barclay, 1912-01-01 Ronald West stood at the window of his wife's sitting room looking across the bright garden borders to the wide park beyond and wondering how

on earth he should open the subject of which his mind had been full during their morning ride He had swung off his own horse a few moments before thrown the bridle to a waiting groom and made his way round to her stirrup Then he had laid his hand upon Silverheels mane and looking up into his wife s glowing handsome face he had said May I come to your room for a talk Helen I have something very important to tell you Helen had smiled down upon him I thought my cavalier was miles away from his horse and his wife during most of the ride But if he proposes taking me on the same distant journey he shall be forgiven Also I have something to tell you Ronnie and I see the turret clock gives us an hour before luncheon I must scribble out a message for the village then I will come to you at once without stopping to change She laid her hand on his shoulder and dropped lightly to the ground Then telling the groom to wait she passed into the hall Ronald left her standing at the table walked into the sitting room alone and suddenly realised that when you have thought of a thing continuously day and night during the best part of a week and kept it to yourself it is not easy to begin explaining it to another person even though that other person be your always kind always understanding altogether perfect wife He had forgotten to leave his hat and gloves in the hall He now tossed them into a chair Helen s own particular chair it so happened but kept his riding crop in his hand and thwacked his leather gaiters with it as he stood in the bay window It was such a perfect spring morning The sun shone in through the old fashioned lattice panes Some silly old person of a bygone century had scratched with a diamond on one of these a rough cross and beneath it the motto In hoc vince Ronald had inveighed against this If Helen s old ancestor having nothing better to do had wanted to write down a Latin motto he should have put it in his pocket book or better still on the even more transitory pages of the blotter instead of scribbling on the beautiful diamond panes of the old Grange windows But Helen had laughed and said I should think he lived before the time of blotters dear No doubt the morning sun was shining on the glass Ronnie as he stood at the window It was of the cross gleaming in the sunlight that he wrote In this conquer If we could but remember it the path of self sacrifice and clear shining is always the way to victory
