

The book cover features a dark green top section with the publisher's name and title. Below this is a black and white photograph of a man in a military-style uniform, wearing a balaclava and holding a rifle. The bottom right corner has a yellow diagonal banner.

O'BRIEN

POCKET HISTORY OF

The IRA

FROM 1916 ONWARDS

Brendan O'Brien

UPDATED EDITION

A Pocket History Of The Ira

Martin Graham

A Pocket History Of The Ira:

O'Brien Pocket History of the IRA Brendan O'Brien, 2014-09-01 An accessible clearly written account of the IRA from its beginnings to today It covers the origins and history of the organisation its aims the political and military thinking which has driven its activities and the major personalities who have shaped the direction of the movement down through the years The relationship with the Irish and British governments is examined as well as the effects of the major bombing campaigns and the 1981 hunger strikes It also explains the radical shift in thinking which led to the IRA seeking a political way towards the goal of Irish unity rather than pursuing the entrenched Brits Out policy at the point of a gun The background to the IRA ceasefire and the many factors which contributed to its ending are looked at as well as the prospects for a lasting peace in one of the world s most troubled arenas This is intended as an easy to read overview of the IRA and the Northern situation accessible to both the tourist and the interested general reader

A Pocket History of the IRA Brendan O'Brien, 1997 An accessible clearly written account of the IRA from its beginnings to today It covers the origins and history of the organisation its aims the political and military thinking which has driven its activities and the major personalities who have shaped the direction of the movement down through the years The relationship with the Irish and British governments is examined as well as the effects of the major bombing campaigns and the 1981 hunger strikes It also explains the radical shift in thinking which led to the IRA seeking a political way towards the goal of Irish unity rather than pursuing the entrenched Brits Out policy at the point of a gun The background to the IRA ceasefire and the many factors which contributed to its ending are looked at as well as the prospects for a lasting peace in one of the world s most troubled arenas This is intended as an easy to read overview of the IRA and the Northern situation accessible to both the tourist and the interested general reader

A Pocket History of the IRA Brendan O'Brien, 2000 An accessible clearly written account of the IRA from its beginnings to today It covers the origins and history of the organisation its aims the political and military thinking which has driven its activities and the major personalities who have shaped the direction of the movement down through the years The relationship with the Irish and British governments is examined as well as the effects of the major bombing campaigns and the 1981 hunger strikes It also explains the radical shift in thinking which led to the IRA seeking a political way towards the goal of Irish unity rather than pursuing the entrenched Brits Out policy at the point of a gun The background to the IRA ceasefire and the many factors which contributed to its ending are looked at as well as the prospects for a lasting peace in one of the world s most troubled arenas This is intended as an easy to read overview of the IRA and the Northern situation accessible to both the tourist and the interested general reader

A Pocket History of Gaelic Culture Alan Titley, 2000 A lively journey through ancient and modern Irish culture this book explores the elements that have shaped the music language and arts of the Emerald Isle From the rich native tradition in pre Christian times to the changes wrought by the arrival of Christianity in the fifth century from the Golden Age of art and literature to the 19th century Celtic revival the rich history of Ireland is

abundant in its cultural heritage Also discussed is the place of Irish writing in the English language and a look at the international popularity of modernized traditional dances as expressed by the Riverdance craze

IRA, The Bombs and the Bullets A. R. Oppenheimer, 2008-10-16 In this groundbreaking title A R Oppenheimer tells how the Irish Republican Army became the most adept and experienced insurgency group the world has ever seen through their bombing expertise and how after generations of conflict it all came to an end The book is a comprehensive account of more than 150 years of Irish republican strategic tactical and operational details and an analysis of the IRA s mission doctrine targeting and acquisition of weapons and explosives As a leading expert on non conventional weapons and explosives Oppenheimer vividly presents the story behind the bombs those who built and deployed them those who had to deal with and dismantle them and those who suffered or died from them He analyses where how and why the IRA s 19 000 bombs were built targeted and deployed and explores what the IRA was hoping to accomplish in its unrivaled campaign of violence and insurgency through covert acquisition training intelligence and counter intelligence Beginning with the Fenian Dynamiters in the second half of the nineteenth century Oppenheimer fully describes and assesses the impact of the pre 1970s bombing campaigns in Northern Ireland and England and the evolution of strategies and tactics during the Troubles He concludes with the decommissioning of an arsenal big enough to arm several battalions which included an entire home crafted missile system an unsurpassed range of improvised explosive devices IEDs and enough explosives to blow up several urban centres The author scrutinises the level of deadly improvisation that became the hallmark of the Provisional IRA s expertise and the ingenuity in its pioneering IED timing delay and disguise technologies and follows the arms race it carried on with the British Army and security services in a long war of mutual assured disruption He also provides an insight into the bombing equipment and guns in the vast IRA inventory held at Irish Police HQ in Dublin

A Pocket History of the Civil War Martin Graham, 2011-08-20 A unique collection of facts trivia and lore about the US Civil War Whether novice or buff readers across the spectrum will find unique and entertaining bits of trivia facts and lore about key American Civil War battles and leaders in A Pocket History of the Civil War a collection of the unusual from author Martin F Graham From the identification of key troop locations during seminal battles of the Civil War to details about monuments facts about Union and Confederate officers readers will find myriad bits of fun and fascinating information in this unique collection Quizzes peppered throughout the book allow readers to test their knowledge

The SAGE Encyclopedia of Terrorism, Second Edition Gus Martin, 2011-06-15 Six years after publication of the first edition of the best selling Encyclopedia of Terrorism much has changed on the national security scene Despite the dark promises of Osama bin Laden following the 9 11 attacks the United States has not experienced any major domestic terror incidents Al Qaeda itself is believed to be a severely crippled organization But while U S wars in Afghanistan and Iraq not to mention the arrival of the Obama administration a new balance of power within Congress and an increasingly fragile economic picture have significantly affected the national

security picture the threat of economic chaos and massive loss of life due to terror attacks has not abated Indeed in July 2008 analysts pointed out that even a relatively small terrorist organization could present a dire threat with some experts arguing that a biological chemical or even nuclear attack on a major U S city is all but inevitable In this highly charged rapidly shifting environment we are pleased to present the The SAGE Encyclopedia of Terrorism Second Edition a thoroughly updated and expanded edition of the original highly regarded reference work Nearly 100 000 words of new material will be added along with fully updated original entries and expanded coverage New introductory essays will explore the impact of terrorism on economics public health religion and even pop culture Ethical issues such as the role of torture in interrogations competing notions of security versus liberty and the debates over FISA legislation and Guantanamo Bay will also be covered Two dozen entries on significant recent events such as the London bombings Chechen attacks on Russian interests and the rescue of Ingrid Bettancourt and some 60 additional new entries will restore the work as an up to the minute natural first stop for researchers

Official Irish Republicanism, 1962 to 1972 Sean Swan, 2007-06 A history of the Official Irish Republican movement from the IRA s 1962 ceasefire to the Official IRA s permanent ceasefire in 1972 The civil rights movement the outbreak of violence in August 1969 the links with the communist party the Official IRA s campaign the ceasefire and later developments towards Sinn Fein the Workers Party are explored This book is the first in depth study of this crucial period in the history of Irish republicanism Using his unprecedented access to the internal documents of the movement and interviews with key participants Swan s work will transform our understanding of this transformative period in the history of the movement Henry Patterson Author of The Politics of Illusion A Political History of the IRA and Ireland Since 1939 There is much fascinating material and also much good sense Richard English Author of Armed Struggle A History of the IRA and Radicals and the Republic Socialist Republicanism in the Irish Free State

The A to Z of the Northern Ireland Conflict Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone s problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject

Provisional Irish

Republican Army and the Morality of Terrorism Timothy Shanahan, 2008-12-18 Is terrorism ever morally justified How should historical and cultural factors be taken into account in judging the morality of terrorist acts What are the ethical limits of state counter terrorism For three decades the Provisional Irish Republican Army waged an armed struggle against what it considered to be the British occupation of Northern Ireland To its supporters the IRA was the legitimate army of Ireland fighting to force a British withdrawal as a prelude to the reunification of the Irish nation To its enemies the IRA was an illegal fanatical terrorist organization whose members were criminals willing to sacrifice innocent lives in pursuit of its ideological obsession At the centre of the conflict were the then unconventional tactics employed by the IRA including sectarian killings political assassinations and bombings that devastated urban centres tactics that have become increasingly commonplace in the post 9 11 world This book is the first detailed philosophical examination of the morality of the IRA's violent campaign and of the British government's attempts to end it Written in clear accessible prose it is essential reading for anyone wishing to acquire a deeper understanding of one of the paradigmatic conflicts of the late 20th century

Yeah, reviewing a book **A Pocket History Of The Ira** could increase your near friends listings. This is just one of the solutions for you to be successful. As understood, skill does not recommend that you have fabulous points.

Comprehending as without difficulty as concurrence even more than new will have enough money each success. adjacent to, the publication as without difficulty as keenness of this A Pocket History Of The Ira can be taken as competently as picked to act.
